Chair Brechnitz welcomed the representatives present from CliftonLarsonAllen LLP - Christopher Kessler, CPA, Principal, Robert Williams, CPA, Director, and Grace Riddle, Senior Audit Associate.

Mr. Kessler, on behalf of the CliftonLarsonAllen LLP audit team, outlined the scope of the services performed in the execution of the Marco Island 2024 Fiscal Year audit, outlined and explained the key findings by the audit team, and offered specific observations and recommendations for the Council's consideration and action.

Mr. Kessler addressed numerous questions from members of the Council, many of which were posed to help the Council clarify the severity of the deficiencies noted, and the likely implications if the recommended improvements are not addressed in a timely manner.

Also discussed was the timeline under which the audit was completed, along with the time between when the preliminary audit findings were made known to City Staff leadership and when the Council first learned of the audit team's findings.

Other documents presented at the request of members of the Council included Chair Erik Brechnitz's July 10, 2025 Guest Commentary letter to the Coastal Breeze News, and Mr. Jay Glover of PFM Financial Advisors LLC's email opinion of July 11, 2025 on the effect of the findings of the CliftonLarsonAllen LLP audit on the City's credit rating and its near-term ability to access the capital markets.
