

## Rules of the Pickleball Courts (1-8)

- The following rules are in force at all times while other players are waiting for a court:
  - Players must utilize the whiteboard for court assignment.
  - All games are to 11; win by 2.
  - Add your name to a box on the whiteboard.
  - When your box is "up", cross your names off the whiteboard.
  - All players in the box previous to yours must be on, or heading to a court, before your group goes out.
  - Players must come off the courts after each game.
  - Queue up, and quickly enter and exit the courts as a group.
  - Do not enter a court while the ball is in play, please do not walk across courts, to get to further courts, please use the side gate closest to the court you are playing on.
  - Players must be off the court before adding their name to a box.
  - Once your game has begun, do not change courts if others are waiting to play.
