Re: July 2025 Monthly City Council Report

Employee News

The Marco Island Police Department received a safety incentive reimbursement designed to offset the cost of new ballistic vests. This equipment provides critical life-saving protection for our police officers. The ability to purchase and replace them on a regular schedule, defined by the manufacturer, is invaluable to the officer, City and the community they serve.

Community Oriented Policing

In July, the Marco Island Police Department had some special visitors from Camp Mackle. Campers got a behind-the-scenes look at what we do and had a blast exploring our police vehicles, sirens included! We always enjoy welcoming the next generation and showing them how we serve and protect our community.

July Marine Report

The Marine Report reflects activities conducted by MIPD Marine Officers while patrolling Marco Island's waterways and canals. These activities include proactive patrols to enforce marine and environmental regulations and promote boater safety.

In July, Marine Patrol experienced a slight increase in activity compared to the previous month, with a total of 442 events, up from 405 in June, an approximate 9.1% increase in activity. The July 4th holiday was safely managed, despite rough seas and the presence of waterspouts throughout the day. These conditions significantly limited boater activity, contributing to a quiet and incident-free holiday on the water. We also experienced our typical July afternoon weather, with frequent heavy storms that periodically kept personnel off the water for safety.

July 2025 Beach Patrol:

July 9th was Sea Turtle Protection Day. With that, we provide many reminders for our visitors and residents to make sure they fill in their holes after digging in the sand when they leave the beach. Beachgoers and residents whose units face our beaches were reminded to turn off lights after 9:00 pm for our sea turtle hatchlings safe journey to the Gulf. July saw our first sea turtle hatchlings!

July 2025 Code Enforcement Officer (CEO) Report:

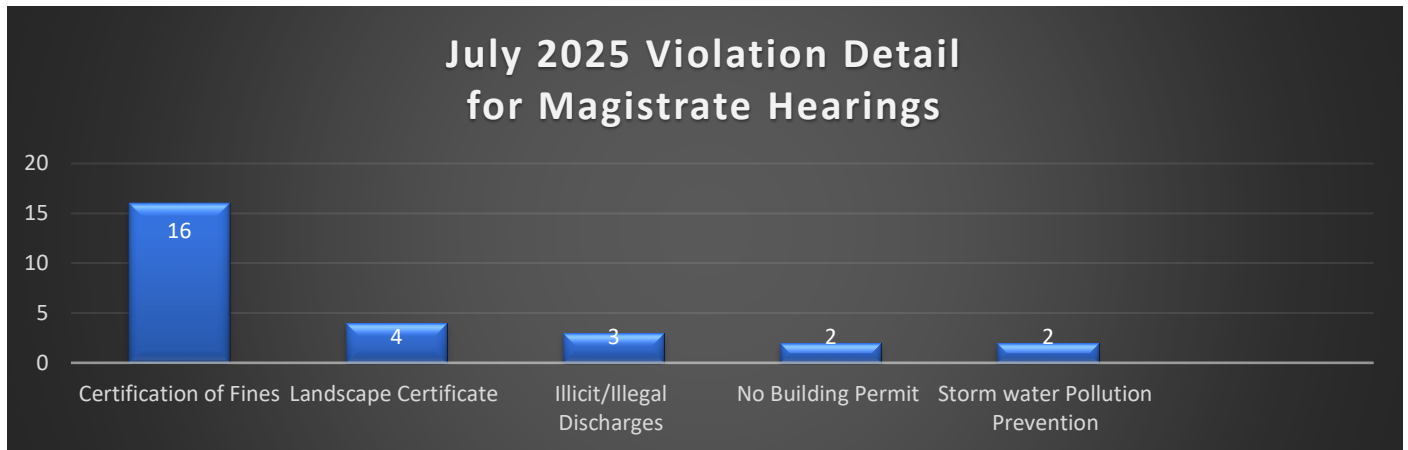

Code Officers' activity in July 2025 remained predominantly self-initiated, with self-initiated investigations exceeding dispatched cases (604 vs.45). Summer rains have resulted in weeds and tall grass violations having the highest number of violations for July. Lawn maintenance often needs to be done more frequently in the summer months to avoid code violations. ROW obstruction violations are down 18% from last month. The high volume of self-initiated investigations underscores the proactive efforts of Code Officers in identifying and addressing issues before they escalate or are formally reported.

***** This figure reflects the total number of violations and not the number of cases. This is to account for cases with multiple violations**

** There were 29 cases scheduled for the Special Magistrate Hearing in the month of July. 4 cases were for Landscape Certificate violations. 16 cases were for the Certification of Fines, which involves placing a lien for unpaid fines. There were 2 cases for Mitigation of Fines on the July Docket. Mitigation is a structured process to evaluate reducing the financial penalty associated with a violation or offense.

Special Duty Details:

Special Duty Details refer to law enforcement duties performed for an outside vendor in addition to an officer's regularly scheduled work hours. These voluntary assignments include, but are not limited to, traffic and security at various locations. Off-season Special Duty hours are lower as expected, compared to other times of the year with the Farmers Market. July Special Duty hours exceeded June's by 67. Special Duty assignments in July consisted of patrol and property surveillance hours for a private business.

Community Engagement Report

- Overall the MIPD social media activity stayed relatively consistent for post engagements compared to last month. (Up 0.6%).

#Bettertogether Highlight

Thank you to everyone who came out for Cone with a Cop yesterday! 🍦 🚔

Our officers had a great time connecting with the community and enjoying a cool treat together.

We were especially proud of all the kids who showed up wearing their bicycle helmets, way to go! 🚲 🧢 Each one received a free ice cream for putting safety first.

Bike safety is so important, and this was a fun, meaningful way to promote it while enjoying some sweet summer moments. 💖

🎉 Welcome to the Team

We're proud to officially welcome Officer Kayli O'Flanagan, Officer Marikay O'Brien, Officer Douglas Hahn, and Officer Michael Terranova to the Marco Island Police Department! 🎉

They were sworn in on July 28, 2025, and we're excited for the dedication, professionalism, and heart they'll bring to serving and protecting our island community.

Please join us in congratulating our newest officers!

🐢 Sea turtle hatchlings have started to emerge on Marco Island! Our beaches are home to carefully monitored nests, and when hatching occurs, trained experts conduct a detailed nest excavation. They collect eggshells, take measurements, and record data to help protect and learn more about these incredible creatures. 💖 🐢

Thank you to our partners and volunteers who help safeguard sea turtles every season!
