N/A

For variance requests for *proposed structure(s)*, please provide the following information:

1. What is the proposed encroachment?

There is no proposed structure or encroachment. Rather, this is a request for a
variance to the applicable parking requirements pursuant to § 30-788 to allow for a
parking requirement reduction commensurate with a vehicle interconnect credit
pursuant to § 30-488(4)(a) for a pedestrian interconnect with an off-street parking
agreement instead of a vehicle interconnect.

2. Why is the encroachment necessary?

N/A

3. What extenuating circumstances exist related to the proposed structure encroachment?

N/A

NATURE OF PETITION

Please note that staff and the Marco Island Planning Board shall be guided in their recommendation to City Council acting as the Board of Zoning Appeals, and that City Council shall be guided in its determination to approve or deny a variance petition by the below listed criteria. Please provide a *narrative* response to the listed criteria and/or questions. Attach additional pages if necessary.

1. Are there special conditions and circumstances existing which are peculiar to the location, size and characteristics of the land, structure or building involved?

Please see Attachment 1.

2. Are there special conditions and circumstances which do not result from the action of the applicant such as pre-existing conditions relative to the property which is the subject of the variance request?

Please see Attachment 1.

3. Will a literal interpretation of the provisions of this zoning code work unnecessary and undue hardship or create practical difficulties on the applicant?

Please see Attachment 1.

4. Will the variance, if granted, be the minimum variance that will make possible the reasonable use of the land, building or structure and which promote standards of health, safety or welfare?

Please see Attachment 1.

5. Will granting the variance requested confer on the petitioner any special privilege that is denied by these zoning regulations to other lands, buildings, or structures in the same zoning district?

Please see Attachment 1.

6. Will granting the variance be in harmony with the intent and purpose of this zoning code, and not be injurious to the neighborhood, or otherwise detrimental to the public welfare?

Please see Attachment 1.

7. Are there natural conditions or physically induced conditions that ameliorate the goals and objectives of the regulation such as natural preserves, lakes, golf course, etc?

Please see Attachment 1.

8. Will granting the variance be consistent with the growth management plan?

Please see Attachment 1.
