The following criteria, (pursuant to Ordinance 03-15) shall be used as a guide by staff in determining its recommendation to The City of Marco Island Planning Board in its decision to approve or deny a particular dock extension request. Please provide a **narrative** response to the listed criteria and/or questions. Attach additional pages if necessary.

- 1. Does the proposed boat docking facility meet the other standards (setbacks, height, etc.) set forth in Ordinance 03-?**

Please refer to the narrative included within this submittal.

- 2. Is there sufficient water depth where the proposed vessel(s) is to be located (as a general guide, -4 feet mean low water is deemed to be sufficient) to allow for safe mooring of the vessel?**

Please refer to the narrative included within this submittal.

3. Are there any special conditions related to the subject property or waterway which justify the proposed dimensions and location of the proposed boat docking facility?

Please refer to the narrative included within this submittal.

4. Does the proposed boat docking facility and moored vessel protrude greater than 25% of the width of the navigable waterway and is a minimum of 50% of the waterway width between dock structures/moored vessel(s) on the opposite side of the waterway maintained in order to ensure reasonable waterway width for navigability?

Please refer to the narrative included within this submittal.

5. Is the proposed dock of minimal dimensions necessary in order to adequately secure the moored vessel while providing reasonable access to the boat for routine maintenance without the use of excessive deck area?

Please refer to the narrative included within this submittal.

- 6. Is the proposed structure of minimal dimensions and located (designed) to minimize the impact of view to the channel by surrounding property owners?**

Please refer to the narrative included within this submittal.

- 7. Is the moored vessel in excess of 50% of the length of the waterfrontage such that the addition of a dock structure will increase the impact on or negatively impact the view to the waterway by surrounding property owners? (In the case of multi-family developments and public marinas, the 50 percent provision may be exceeded).**

Please refer to the narrative included within this submittal.

- 8. Will the proposed location and design of the boat docking facility and moored vessel(s) be such that it may infringe upon the use of neighboring properties, including any existing dock structures?**

Please refer to the narrative included within this submittal.

- 10. Regarding existing benthic organisms in the vicinity of the proposed extension:**

- a. Are seagrasses located within 200 feet of the proposed dock?**

Please refer to the narrative included within this submittal.

AFFIDAVIT

We/I, David Matson FDEP/BDC Bureau Chief being first duly sworn, depose and say that we/I am/are the owners of the property described herein and which is the subject matter of the proposed hearing; that all the answers to the questions in this application, including the disclosure of interest information, all sketches, data, and other supplementary matter attached to and made a part of this application, are honest and true to the best of our knowledge and belief. We/I understand that the information requested on this application must be complete and accurate and that the content of this form, whether computer generated or City printed shall not be altered. Public hearings will not be advertised until this application is deemed complete, and all required information has been submitted. We/I hereby also consent to access to the subject property (excluding entering any home or other enclosed structure) by City of Marco Island staff members, Planning Board members, and/or Board or Zoning Appeals members for the limited purpose of evaluating, observing, or understanding the subject property conditions as they relate to the petition. While the petition is pending, Staff members, Planning Board members, or Board of Zoning Appeals members will be allowed access upon the property provided they display a Marco Island City Photo ID or a Valid Driver's License.

As property owner we/I further authorize Weber Engineering Corporation to act as our/my representative in any matters regarding this Petition.
