

## *City Council Staff Report*

**Meeting Date: April 29, 2021**

---

**TO:** Marco Island City Council

**FROM:** Mary P Holden, Senior Planner

**DATE:** April 26, 2021

**RE:** Comprehensive Plan Update-Review of Draft Elements for Transportation, Conservation and Coastal, Parks and Open Space, Capital Improvements, Infrastructure and Glossary

---

We are please to present the draft elements for Parks and Open Space, Capital Improvements, Infrastructure and Glossary. Also attached, for your comparison, are the corresponding existing elements in our current Comprehensive Plan and a crosswalk (showing changes from the existing element) for Capital Improvements, Infrastructure, and Parks and Open Space. Also attached are the draft maps series. There will be some tweaks before final transmittal in addition to a few additional technical maps, such as water and sewer.

Included are the revised draft Future Land Use, Housing and Intergovernmental Coordination elements reflecting the City Council comments from the March 31, 2021 work session.

Our Planning Consultants will present the new elements at the meeting, take comment and input, and answer questions the City Council may have regarding the draft elements.
