**22) Why do you want to serve on the City Council? \***

Because we need an individual on City Council who has been a long time resident of this community, someone who understands the history, someone that is in business here, someone who has owned all types of property here, and someone who has engaged with different departments of City Staff for years on different property related issues. I am "younger in age" than the others in council and feel that I can bring a different perspective to council. I want to help be a part of beautifying this Island and fixing the issues we currently face now and in the future.

**23) What issues do you think should be addressed by the City Council? \***

Many but the Comp Plan and LDC are issues that are at the forefront for me.

Hello,

I'm reviewing your application and noticed that you marked "other" for the organization that you are applying for vs. for City Council. Please confirm via email that the application that you submitted the application for was for the vacated City Council seat. Your email will be attached to the application.

Thank you,

Joan Taylor
