Jr. Chef European Vacation

jr.chef Cooking Camp

We begin with Knife Skills and Kitchen Safety. We will board our imaginary jet and off to Europe we travel! Imagine entering a beautiful English tea house for flavorful scones and delicate croissants, served by your hand. We will visit Greece and indulge in Spanakopita (Greek Spinach Pie with Feta) made with fresh spinach and Phyllo Pastry. Baklava, a sweet honey pastry is a dream. Board the ferry to Palermo, Italy, for a delicious Sicilian Pizza (sfincione). Dough made from scratch, provolone cheese and ricotta, delicious. Then, off to Poland for Pierogis, filling and satisfying. Prepare a feast for four!

Camp attendees will create their own mini ecosystem that will bring tranquility to their home. Campers will learn how these ecosystems work and how these biospheres subsist on their own. Each camper will create a continuous rain cycle in their terrarium. At the end of camp, our campers will begin to understand their role in preserving nature and appreciate nature in its most simple form. We will create open and enclosed terrariums to take home and enjoy for many years to come!
