Section 2.01. Representations and Covenants of Lessee. Lessee represents, covenants and warrants for the benefit of Lessor on the date hereof and as of the Commencement Date of each Lease as follows:

(a) Lessee is a political subdivision of the State within the meaning of Section 103(c) of the Code, duly organized and existing under the constitution and laws of the State, with full power and authority to enter into the Related Documents and the transactions contemplated thereby and to perform all of its obligations thereunder.

(b) Lessee has duly authorized the execution and delivery of the Related Documents by proper action of its governing body at a meeting duly called, regularly convened and attended throughout by the requisite quorum of the members thereof, or by other appropriate official approval, and all requirements have been met and procedures have occurred in order to ensure the validity and enforceability of the Related Documents.

(c) No event or condition that constitutes, or with the giving of notice or the lapse of time or both would constitute, an Event of Default exists at the date hereof. No Event of Non-appropriation has occurred or is included in the agenda of an upcoming meeting of the Lessee’s governing body with respect to any Lease.

(d) Lessee will do or cause to be done all things necessary to preserve and keep in full force and effect its existence as a municipality of the State.

(e) Lessee has complied with such procurement and public bidding requirements as may be applicable to the Related Documents and the acquisition and installation by Lessee of the Equipment as provided in each Lease.

(f) During the Lease Term under each Lease, the Equipment will be used by Lessee only for the purpose of performing essential governmental or proprietary functions of Lessee consistent with the permissible scope of Lessee’s authority. Lessee does not intend to sell or otherwise dispose of the Equipment or any interest therein prior to the last Rental Payment (including all Renewal Terms) scheduled to be paid under the related Lease.

(g) Lessee has kept, and throughout the Lease Term of each Lease shall keep, its books and records in accordance with generally accepted accounting principles and practices consistently applied, and shall deliver to Lessor (i) annual audited financial statements (including (1) a balance sheet, (2) statement of revenues, expenses and changes in fund balances for budget and actual, (3) statement of cash flows, and (4) footnotes, schedules and attachments to the financial statements) within two hundred seventy (270) days after the end of its fiscal year, (ii) such other financial statements and information as Lessor may reasonably request, and (iii) upon Lessor's request, its annual budget for any prior or current fiscal year or for the following fiscal year when approved but not later than thirty (30) days following approval. The financial statements described in this subsection (g)(i) shall be accompanied by an unqualified opinion of Lessee's independent auditor. Credit information relating to Lessee may be disseminated among Lessor and any of its affiliates and any of their respective successors and assigns.

(h) Lessee has an immediate need for the Equipment listed on each Equipment Schedule and expects to make immediate use of the Equipment listed on each Equipment Schedule. Lessee's need for the Equipment is not temporary and Lessee does not expect the need for any item of the Equipment to diminish during the related Lease Term.

(i) The payment of the Rental Payments or any portion thereof is not (under the terms of any Lease or any underlying arrangement) directly or indirectly (x) secured by any interest in property used or to be used in any activity carried on by any person other than a state or local governmental unit or payments in respect of such property; or (y) on a present value basis, derived from payments (whether or not to Lessee) in respect of property, or borrowed money, used or to be used in any activity carried on by any person other than a state or local governmental unit. The Equipment will not be used, directly or indirectly, in any activity carried on by any person other than a state or local governmental unit. No portion of the Acquisition Amount relating to any Lease will be used, directly or indirectly, to make or finance loans to any person other than Lessee. Lessee has not entered into any management or other service contract with respect to the use and operation of the Equipment.

(j) There is no pending litigation, tax claim, proceeding or dispute that may adversely affect Lessee's financial condition or impairs its ability to perform its obligations under the Related Documents. Lessee will, at its expense, maintain its legal existence and do any further act and execute, acknowledge, deliver, file, register and record any further documents Lessor may reasonably request in order to protect Lessor's rights and benefits under each Lease and related Escrow Agreement.

(k) Lessee is the fee owner of the real estate where the Equipment under each Lease is and will be located (the "*Real Property*") and has good and marketable title thereto, and there exists no mortgage, pledge, lien, security interest, charge or other encumbrance of any nature whatsoever on or with respect to such Real Property.

(l) No lease, rental agreement, lease-purchase agreement, payment agreement or contract for purchase to which Lessee has been a party at any time has been terminated

by Lessee as a result of insufficient funds being appropriated in any fiscal year. No event has occurred which would constitute an event of default under any debt, revenue bond or obligation which Lessee has issued during the past ten (10) years.

(m) Lessee has complied and will comply with Section 218.38, Florida Statutes, with respect to each Lease.

(n) The interest rate for the interest portion of the Rental Payments on the first date that interest begins to accrue with respect to each Lease, does not exceed a rate of interest permitted by Section 215.84, Florida Statutes, as amended.

(o) In connection with the Lessee's compliance with any continuing disclosure undertakings (each, a "*Continuing Disclosure Agreement*") entered into by the Lessee pursuant to SEC Rule 15c2-12 promulgated pursuant to the Securities and Exchange Act of 1934, as amended (the "*Rule*"), the Lessee may be required to file with the Municipal Securities Rulemaking Board's Electronic Municipal Market Access system, or its successor ("*EMMA*"), notice of its incurrence of its obligations under the Related Documents and notice of any accommodation, waiver, amendment, modification of terms or other similar events reflecting financial difficulties in connection with the Related Documents, in each case including posting a full copy thereof or a description of the material terms thereof (each such posting, an "*EMMA Posting*"). Except to the extent required by applicable law, including the Rule, and subject in all respects to applicable state public records laws, the Lessee shall not file or submit or permit the filing or submission of any EMMA Posting that includes the following unredacted confidential information about the Lessor or its affiliates and any Escrow Agent in any portion of such EMMA Posting: address, account information and logos of the Lessor or its affiliates and any Escrow Agent; e-mail addresses telephone numbers, fax numbers, names and signatures of officers, employees and signatories of the Lessor or its affiliates and any Escrow Agent; and the form of Disbursement Request that is attached to the Escrow Agreement.

The Lessee acknowledges and agrees that the Lessor and its affiliates are not responsible for the Lessee's or any other entity's (including, but not limited to, any broker-dealer's) compliance or noncompliance (or any claims, losses or liabilities arising therefrom) with the Rule, any Continuing Disclosure Agreement or any applicable securities or other laws, including but not limited to those relating to the Rule.

Section 2.02. Representations and Covenants of Lessor. Lessor represents, covenants and warrants for the benefit of Lessee on the date hereof and as of the Commencement Date of each Lease that it has and will comply with Section 218.385(2) and Section 218.385(3), Florida Statutes, as amended, with respect to each Lease, as applicable.

ARTICLE III

Section 3.01. Lease of Equipment. Subject to the terms and conditions of this Agreement, Lessor agrees to provide the funds specified in each Lease to be provided by it for Lessee to acquire

and install the Equipment described in the related Equipment Schedule. Upon the execution and delivery of each Lease, Lessor thereby demises, leases and transfers to Lessee, and Lessee thereby acquires, rents and leases from Lessor, the Equipment as set forth in such Lease and in accordance with the terms thereof. The Lease Term for each Lease may be continued, solely at the option of Lessee, at the end of the Original Term or any Renewal Term for the next succeeding Renewal Term up to the maximum Lease Term set forth in such Lease. At the end of the Original Term and at the end of each Renewal Term until the maximum Lease Term has been completed, Lessee shall be deemed to have exercised its option to continue each Lease for the next Renewal Term unless Lessee shall have terminated such Lease pursuant to Section 3.03 or Section 10.01 of this Agreement. The terms and conditions during any Renewal Term shall be the same as the terms and conditions during the Original Term, except that the Rental Payments shall be as provided in the applicable Lease. Each Equipment Schedule signed and delivered by Lessor and Lessee pursuant to this Agreement shall constitute a separate and independent lease and installment purchase of the Equipment therein described.

Section 3.02. Continuation of Lease Term. Lessee intends, subject to Section 3.03 hereof, to continue the Lease Term of each Lease through the Original Term and all Renewal Terms and to pay the Rental Payments due thereunder. Lessee affirms that sufficient funds are legally available to pay all Rental Payments when due during the current fiscal year, and Lessee reasonably believes that an amount sufficient to make all Rental Payments during the entire Lease Term of each Lease can be obtained from legally available funds of Lessee. Lessee further intends to do all things lawfully within its power to obtain and maintain funds sufficient and available to discharge its obligation to make Rental Payments due under each Lease, including making provision for such payments to the extent necessary in each budget or appropriation request submitted and adopted in accordance with applicable provisions of law. Notwithstanding the foregoing, the decision whether or not to budget and appropriate funds or to extend the Lease Term for any Renewal Term for each Lease is within the sole discretion of the governing body of Lessee.

Section 3.03. Non-appropriation. Lessee is obligated only to pay such Rental Payments under each Lease as may lawfully be made during Lessee's then current fiscal year from funds budgeted and appropriated for that purpose. Should Lessee fail to budget, appropriate or otherwise make available funds to pay Rental Payments under any Lease following the then current Original Term or Renewal Term, such Lease or Leases shall be deemed terminated at the end of the then current Original Term or Renewal Term thereunder. Such failure to budget, appropriate or otherwise make available such funds shall not constitute an Event of Default hereunder or under any Lease. Lessee agrees to deliver notice to Lessor of such termination promptly after any decision to non-appropriate is made, but failure to give such notice shall not extend the term beyond such Original Term or Renewal Term. If any Lease is terminated in accordance with this Section 3.03, Lessee agrees to (i) cease use of the Equipment thereunder and peaceably remove and deliver to Lessor, at Lessee's sole expense (from legally available funds), such Equipment to Lessor at the location(s) to be specified by Lessor on or before the end of the applicable Original Term or Renewal Term for which Rental Payments have been appropriated for the applicable Lease (each, a "*Non-Appropriation Return Date*"). Lessor may take whatever action at law or in equity as may be necessary or desirable to enforce Lessee's obligations in the immediately preceding sentence. Without limiting or reducing in any way Lessee's obligations in the second preceding sentence or Lessor's rights in the immediately preceding sentence, if the Lessee fails to

return the Equipment to Lessor on or before the applicable Non-Appropriation Return Date pursuant to this Section 3.03, Lessee shall pay month-to-month rent at the Contract Rate (or the Taxable Rate if then in effect) set forth in the affected Lease for each month or part thereof that Lessee fails to return the Equipment thereunder pursuant to this Section 3.03, or (ii) prepay all of the obligations under such Lease pursuant to section 10.01 hereof.

Section 3.04. Conditions to Lessor's Performance. (a) As a prerequisite to the performance by Lessor of any of its obligations pursuant to any Lease, Lessee shall deliver to Lessor, in form and substance satisfactory to Lessor, the following:

- (i) A fully completed Equipment Schedule, executed by Lessee;
- (ii) If an Escrow Account is to be established with respect to such Lease, an Escrow Agreement substantially in the form attached hereto as *Exhibit H*, satisfactory to Lessor and executed by Lessee and the Escrow Agent;
- (iii) A certified copy of a resolution, ordinance or other official action of Lessee's governing body, substantially in the form attached hereto as *Exhibit C-1A* or *Exhibit C-1B*, as applicable, or in such other form satisfactory to Lessor, authorizing the execution and delivery of this Agreement and the applicable Lease and related Escrow Agreement, if any, entered into pursuant hereto and performance by Lessee of its obligations under this Agreement and the applicable Lease and related Escrow Agreement, if any, entered into pursuant hereto;
- (iv) A Certificate completed and executed by the Clerk or Secretary of the Lessee or other comparable officer of Lessee, substantially in the form attached hereto as *Exhibit C-2A* or *Exhibit C-2B*, as applicable, completed to the satisfaction of Lessor;
- (v) An opinion of counsel to Lessee and an opinion of special tax counsel, substantially in the forms attached hereto as *Exhibit D*, or otherwise in a form satisfactory to Lessor;
- (vi) Evidence of insurance as required by Section 7.02 hereof;
- (vii) All documents, including affidavits, notices and similar instruments, which Lessor deems necessary or appropriate at that time pursuant to Section 6.02 hereof;
- (viii) A waiver or waivers of interest in the Equipment from any mortgagee or any other party having an interest in the Real Property on which the Equipment will be located and/or landlord of the real estate on which the Equipment will be located and amendments and agreements releasing liens and encumbrances, if any, on the Real Property where the Equipment is and will be located;
- (ix) Reserved;

(x) A copy of the Form 8038-G with respect to the Lease then being entered into, fully completed and executed by Lessee;

(xi) In the event that Lessee is to be reimbursed for expenditures that it has paid more than sixty (60) days prior to the Commencement Date for the Lease then being entered into, evidence of the adoption of a reimbursement resolution or other official action covering the reimbursement from tax exempt proceeds of expenditures incurred not more than sixty (60) days prior to the date of such resolution;

(xii) If any items of Equipment are motor vehicles, properly completed certificates of title or certificates of origin (or applications therefor) for such vehicles;

(xiii) Copies of invoices (and proofs of payment of such invoices, if Lessee seeks reimbursement) and bills of sale (if title to Equipment has passed to Lessee), to the extent required by Section 5.01(b) hereof;

(xiv) Wire instructions for payments to be made to Vendors and Form W-9 from each such Vendor; and

(xv) Such other items as are set forth in the related Equipment Schedule or are reasonably required by Lessor.

(b) In addition to satisfaction of the conditions set forth in subsection (a) of this Section 3.04, the execution, delivery and performance by Lessor of any of its obligations under the Related Documents shall be subject to: (i) no Material Adverse Change having occurred since the date of this Agreement, (ii) no Event of Default having occurred and then be continuing under any Lease then in effect, (iii) no Event of Non-appropriation under any Lease then in effect having occurred or is included in the agenda of an upcoming meeting of the Lessee's governing body, and (iv) no Lease having been terminated as the result of the occurrence of an Event of Default or an Event of Non-appropriation.

(c) Subject to satisfaction of the foregoing, (i) Lessor will pay the Acquisition Amount for Equipment described in an Equipment Schedule to the Vendor or reimburse Lessee for its prior expenditures with respect to such Equipment (subject to satisfaction of Section 3.04(a)(xi) hereof), upon receipt of the documents described in Sections 5.01(a) and (b) hereof; or (ii) if an Escrow Account is being established with respect to the related Lease, Lessor will deposit the Acquisition Amount for Equipment described in the applicable Equipment Schedule with the Escrow Agent to be held and disbursed pursuant to the related Escrow Agreement.

(d) This Agreement is not a commitment by Lessor or Lessee to enter into any Lease not currently in existence, and nothing in this Agreement shall be construed to impose any obligation upon Lessor or Lessee to enter into any proposed Lease, it being understood that whether Lessor or Lessee enters into any proposed Lease shall be a decision solely within their respective discretion.

(e) Lessee will cooperate with Lessor in Lessor's review of any proposed Lease. Without limiting the foregoing, Lessee will provide Lessor with any documentation or information Lessor may request in connection with Lessor's review of any proposed Lease. Such documentation may include, without limitation, documentation concerning the Equipment and its contemplated use and location and documentation or information concerning the financial status of Lessee and other matters related to Lessee.

(f) In the event of any conflict in terms between an Equipment Schedule and this Agreement, the terms of the Equipment Schedule shall control in the interpretation of the Lease created thereby.

Section 3.05 Substitution. Lessee reserves the right to substitute Equipment of the same quality, quantity and general type with the approximate equal value, utility and remaining useful life as the Equipment so replaced. So long as the Lease related to such Equipment is in effect, Lessee shall immediately notify Lessor of the details of the substitution and such substitution shall be reflected in an amendment to the Schedule prepared by Lessor and to be executed by Lessee and Lessor.

Section 3.06 Evidence of Filing Form 8038-G. As soon as it is available, with respect to each Lease under this Agreement, Lessee shall provide to Lessor evidence that it, or its paid preparer, has filed the Form 8038-G for the applicable Lease with the Internal Revenue Service by delivering to Lessor proof of mailing such Form 8038-G. Notwithstanding anything to the contrary in this Agreement or the applicable Lease, it shall not be an Event of Default hereunder or thereunder if Lessee does not provide to Lessor evidence that it (or its paid preparer) filed the Form 8038-G for the applicable Lease with the Internal Revenue Service.

ARTICLE IV

Section 4.01. Rental Payments. Subject to Section 3.03 of this Agreement, Lessee shall promptly pay Rental Payments, in lawful money of the United States of America, to Lessor on the Rental Payment Dates and in such amounts as provided in each Lease. If any Rental Payment or other amount payable hereunder is not paid within ten (10) days of its due date, Lessee shall pay an administrative late charge of five percent (5%) of the amount not timely paid or the maximum amount permitted by law, whichever is less. Lessee shall not permit the Federal Government to guarantee any Rental Payments under any Lease. Rental Payments consist of principal and interest components as more fully detailed on the Payment Schedule for each Lease, the interest on which begins to accrue as of the Commencement Date for each such Lease.

Section 4.02. Interest and Principal Components. A portion of each Rental Payment is paid as, and represents payment of, interest, and the balance of each Rental Payment is paid as, and represents payment of, principal. Each Lease shall set forth the principal and interest components of each Rental Payment payable thereunder during the applicable Lease Term.

Section 4.03. Rental Payments to Constitute a Current Expense of Lessee. Lessor and Lessee understand and intend that the obligation of Lessee to pay Rental Payments under each Lease shall constitute a current expense of Lessee payable solely from its general fund or other

funds that are legally available for that purpose and shall not in any way be construed to be a debt of Lessee in contravention of any applicable constitutional or statutory limitation or requirement concerning the creation of indebtedness by Lessee, nor shall anything contained in this Agreement or in any Lease constitute a pledge of the general tax revenues, funds or moneys of Lessee. THE RENTAL PAYMENTS ARE TO BE MADE ONLY FROM LESSEE'S LEGALLY AVAILABLE REVENUES APPROPRIATED ON AN ANNUAL BASIS, AND NEITHER LESSEE, THE STATE NOR ANY POLITICAL SUBDIVISION OR AGENCY THEREOF SHALL BE OBLIGATED TO PAY ANY SUMS DUE UNDER A LEASE FROM THE COMPELLED LEVY OF AD VALOREM OR OTHER TAXES EXCEPT FROM THOSE LEGALLY AVAILABLE REVENUES APPROPRIATED BY LESSEE ON AN ANNUAL BASIS, AND NEITHER THE FULL FAITH AND CREDIT NOR THE TAXING POWER OF LESSEE, THE STATE OR ANY POLITICAL SUBDIVISION OR AGENCY THEREOF ARE PLEDGED FOR PAYMENT OF SUCH SUMS DUE UNDER A LEASE.

Section 4.04. Rental Payments to be Unconditional. Except as provided in Section 3.03 of this Agreement, the obligations of Lessee to make Rental Payments and to perform and observe the other covenants and agreements contained in each Lease shall be absolute and unconditional in all events without abatement, diminution, deduction, set-off or defense, for any reason, including without limitation any failure of the Equipment, disputes with the Lessor or the Vendor of any Equipment, any defects, malfunctions, breakdowns or infirmities in the Equipment or any accident, condemnation or unforeseen circumstances or failure of any Vendor to deliver any Equipment or otherwise perform any of its obligations for whatever reason, including bankruptcy, insolvency, reorganization or any similar event with respect to any Vendor or under any Vendor Agreement, or the failure or inability (for whatever reason) of Lessee to receive (or delay in receipt of) all or any portion of any refundable tax credit under Section 6417 of the Internal Revenue Code of 1986, as amended by the Inflation Reduction Act of 2022 (Pub. L. No. 117-169), or any substantially similar provision of federal, state, local or foreign tax law (including regulations or other guidance from any taxing authority).

Section 4.05 Tax Covenants. Lessee agrees that it will not take any action that would cause the interest component of Rental Payments to be or to become ineligible for the exclusion from gross income of the owner or owners thereof for Federal income tax purposes, nor will it omit to take or cause to be taken, in a timely manner, any action, which omission would cause the interest component of Rental Payments to be or to become ineligible for the exclusion from gross income of the owner or owners thereof for Federal income tax purposes. In connection with the foregoing, Lessee hereby agrees that (a) so long as any Rental Payments under a Lease remain unpaid, moneys on deposit in the Escrow Account under any Escrow Agreement related to such Lease shall not be used in a manner that will cause such Lease to be classified as an "arbitrage bond" within the meaning of Section 148(a) of the Code; and (b) Lessee shall rebate, from funds legally available for the purpose, an amount equal to excess earnings on the Escrow Account under any Escrow Agreement to the Federal Government if required by, and in accordance with, Section 148(f) of the Code, and make the determinations and maintain the records required by the Code.

Section 4.06. Event of Taxability. Upon the occurrence of an Event of Taxability (as defined below) with respect to a Lease, the interest component of Rental Payments under such

Lease and any charge on Rental Payments or other amounts payable based on the Contract Rate shall have accrued and be payable at the Taxable Rate applicable to such Lease retroactive to the date as of which the interest component is determined by the Internal Revenue Service to be includable in the gross income of the owner or owners thereof for Federal income tax purposes (which retroactive date for such Lease shall be the earliest date as of which the interest component of any Rental Payment for such Lease is deemed includable in the gross income of the owner or owners thereof for Federal income tax purposes, which may be earlier than the date of delivery of such determination by the Internal Revenue Service), and Lessee will pay such additional amount as will result in the owner receiving the interest component at the Taxable Rate identified in the related Lease.

For purposes of this Section, “*Event of Taxability*” means the circumstance of the interest component of any Rental Payment paid or payable pursuant to a Lease becoming includable for Federal income tax purposes in an owner’s gross income solely as a result of action or inaction of the Lessee. An Event of Taxability shall be presumed to have occurred upon (a) the receipt by Lessor or Lessee of an original or a copy of an Internal Revenue Service Technical Advice Memorandum or Statutory Notice of Deficiency or other written correspondence which legally holds that the interest component of any Rental Payment under such Lease is includable in the gross income of the owner thereof, but only after exhausting any rights of appeal by Lessee; or (b) the issuance of any public or private ruling of the Internal Revenue Service that the interest component of any Rental Payment under such Lease is includable in the gross income of the owner thereof. For all purposes of this definition, an Event of Taxability shall be deemed to occur on the date as of which the interest component of any Rental Payment is deemed includable in the gross income of the owner thereof for Federal income tax purposes.

Section 4.07. Mandatory Prepayment. (a) If the Acquisition Amount for a Lease is deposited into an Escrow Account, any funds not applied to Equipment Costs and remaining in such Escrow Account on the earliest of (i) the expiration of the applicable Acquisition Period, (ii) the date on which Lessee delivers to the Lessor the executed Disbursement Request to effect the final disbursement to pay (or reimburse) Equipment Costs from such Escrow Account or (iii) a termination of the Escrow Account as provided in the Escrow Agreement shall be applied by Lessor on each successive Rental Payment Date thereafter to pay all or a portion of the Rental Payment due and owing in the succeeding twelve (12) months and any remaining amounts shall be applied by Lessor as prepayment to the applicable unpaid Principal Portion of Rental Payments owing under the related Lease in the inverse order of the Rental Payment Dates at a price of one hundred (100%) of such prepaid Principal Portion plus accrued interest thereon to the prepayment date.

(b) In connection with any partial prepayment of Rental Payments for a Lease, Lessor shall prepare a new Payment Schedule for such Lease and deliver the same to the Lessee, which shall be binding, absent manifest error.

ARTICLE V

Section 5.01. Acquisition, Delivery Installation and Acceptance of Equipment. (a) With respect to each Lease, Lessee shall order the Equipment to be acquired and financed thereunder,

cause the Equipment to be delivered and installed at the location specified in such Lease and pay any and all delivery and installation costs and other Equipment Costs in connection therewith. Lessee shall conduct such inspection and testing of the Equipment listed in a Lease as it deems appropriate in order to unconditionally accept such Equipment. When the Equipment listed in a Lease has been delivered and installed, including any component of the Equipment, Lessee shall promptly accept such Equipment and evidence said acceptance by executing and delivering to Lessor a Final Acceptance Certificate in the form attached hereto as *Exhibit E*; *provided, however*, that if an Escrow Account has been established with respect to such Lease as provided in Section 3.04 hereof, Lessee shall execute and deliver Disbursement Requests to the Lessor pursuant to the related Escrow Agreement for the purpose of effecting disbursements from the Escrow Account to pay (or reimburse) Equipment Costs for the Equipment so acquired and installed pursuant to such Lease. In connection with the execution and delivery by Lessee to Lessor of the final Disbursement Request under the applicable Escrow Agreement for a Lease, Lessee shall deliver to Lessor a “Final Acceptance Certificate” in the form attached hereto as *Exhibit E*.

(b) (i) With respect to a Lease entered into without an Escrow Agreement, Lessee shall deliver to Lessor copies of invoices (and proof of payment of such invoices if Lessee seeks reimbursement for prior expenditures) and bills of sale (if title to such Equipment has passed to Lessee) relating to each item of Equipment accepted by Lessee. Lessee shall execute and deliver to Lessor an Equipment Schedule pursuant to Section 3.04(a)(i) within five (5) business days of receipt from Lessor, subject to satisfaction of the conditions set forth in Section 3.04.

(ii) With respect to a Lease entered into with an Escrow Agreement, Lessor shall prepare an Equipment Schedule. In connection with the execution and delivery of the related Escrow Agreement, Lessee shall execute and deliver to Lessor such Equipment Schedule pursuant to Section 3.04(a)(i) within five (5) business days of receipt, subject to satisfaction of the conditions set forth in Section 3.04. Lessee shall deliver to Lessor together with each Disbursement Request invoices (and proof of payment of such invoices if Lessee seeks reimbursement for prior expenditures) and bills of sale or other evidence of title transfer to Lessee relating to each item of Equipment accepted by Lessee as evidenced by such Disbursement Request. Once approved, Lessor shall deliver such Disbursement Request to the Escrow Agent for disbursement from the Escrow Account in accordance with the Escrow Agreement.

Section 5.02. Quiet Enjoyment of Equipment. So long as no Event of Default and no Event of Non-appropriation exists under the related Lease, neither Lessor nor any entity claiming by, through or under Lessor, shall interfere with Lessee’s quiet use and enjoyment of the Equipment during the Lease Term under such Lease.

Section 5.03. Location; Inspection. Once installed, no item of the Equipment will be moved or relocated from the location (or the base location with respect to motor vehicles) specified for it in the related Lease without Lessor’s prior written consent, which consent shall not be unreasonably withheld. Lessor shall have the right, upon prior written notice, at all reasonable times during regular business hours to enter into and upon the property where the Equipment is located for the purpose of inspecting the Equipment.

Section 5.04. Use and Maintenance of the Equipment. Lessee shall not install, use, operate or maintain the Equipment (or cause the Equipment to be installed, used, operated or maintained) improperly, carelessly, in violation of any applicable law or in a manner contrary to that contemplated by the related Lease. Lessee shall provide all permits and licenses, if any, necessary for the installation and operation of the Equipment. In addition, Lessee agrees to comply in all respects with all applicable laws, regulations and rulings of any legislative, executive, administrative or judicial body, including, without limitation, all anti-money laundering laws and regulations; *provided* that Lessee may contest in good faith the validity or application of any such law, regulation or ruling in any reasonable manner that does not, in the opinion of Lessor, adversely affect the interest of Lessor in and to the Equipment or its interest or rights under the related Lease.

Lessee agrees that it shall maintain, preserve and keep the Equipment in good repair and working order, in a condition comparable to that recommended by the manufacturer. Lessor shall have no responsibility to maintain, repair or make improvements or additions to the Equipment. In all cases, Lessee agrees to pay any costs necessary for the manufacturer to re-certify the Equipment as eligible for manufacturer's maintenance upon the return of the Equipment to Lessor as provided for in Sections 3.03 and 12.02(b) of this Agreement.

Lessee shall not alter any item of Equipment or install any accessory, equipment or device on an item of Equipment if that would impair any applicable warranty, the originally intended function or the value of that Equipment. All repairs, parts, accessories, equipment and devices furnished, affixed to or installed on any Equipment, excluding temporary replacements, shall thereupon become subject to the Lease.

ARTICLE VI

Section 6.01. Title to the Equipment. During the Lease Term under each Lease, so long as Lessee is not in default under Article XII hereof and an Event of Non-appropriation has not occurred, all right, title and interest in and to each item of the Equipment under the related Lease shall be vested in Lessee immediately upon its acceptance of each item of Equipment, subject to the terms and conditions hereof and under the applicable Lease. Lessee shall at all times protect and defend, at its own cost and expense, its title, in and to the Equipment from and against all claims, liens and legal processes of its creditors, and keep all (a) Equipment, (b) moneys and investments held from time to time in any related Escrow Account and (c) any and all proceeds of any of the foregoing, including, without limitation, insurance proceeds, free and clear of all such claims, liens and processes. Upon the occurrence of an Event of Default under a Lease or upon termination of a Lease pursuant to Section 3.03 hereof, unless Lessee has elected not to return the Equipment and to prepay all of its obligations under the related Lease pursuant to Section 10.01(a), full and unencumbered legal title to the Equipment shall be transferred and conveyed by Lessee to Lessor within 10 days of such occurrence or termination and upon such transfer and conveyance, Lessee shall have no further interest therein (except to the extent provided in Section 12.02(b) and Section 12.04). In addition, upon the occurrence of such an Event of Default or such termination, Lessee shall execute and deliver to Lessor such documents as Lessor may request to evidence the transfer and conveyance of such legal title to Lessor and the termination of Lessee's interest therein, and upon request by Lessor shall deliver possession of the Equipment to Lessor in accordance with Section 3.03 or 12.02 of this Agreement, as applicable. Upon payment of all

amounts due and owing under a Lease by Lessee in accordance with Section 10.01 hereof (including upon payment of all Rental Payments and other amounts payable under such Lease), Lessor's rights relating to the Equipment under such Lease shall terminate. Notwithstanding anything herein to the contrary, under no circumstance shall the Lessor have a right to forcible repossession of the Equipment.

Section 6.02. Lessor's Interest in the Equipment. For each Lease under this Agreement, Lessor shall only have the remedies described in Section 12.02 and shall not have a general foreclosure right that entitles Lessor to a deficiency judgment or retain Lessee's equity in the Equipment, if any.

Section 6.03. Personal Property; No Encumbrances. Lessee agrees that during the Lease Term of each Lease the Equipment is deemed to be and will remain personal property and will not be deemed to be affixed to or a part of the real estate on which it may be situated, notwithstanding that the Equipment or any part thereof may be or hereafter become in any manner physically affixed or attached to real estate or any building thereon. Lessee shall not create, incur, assume or permit to exist any mortgage, pledge, lien, charge or other encumbrance of any nature whatsoever on any of the real estate where the Equipment under a Lease is or will be located or enter into any agreement to sell or assign or enter into any sale/leaseback arrangement of such real estate without the prior written consent of Lessor; *provided*, that if Lessor or its assigns is furnished with a waiver of interest in the Equipment under such Lease acceptable to Lessor or its assigns in their respective discretion from any party taking an interest in any such real estate prior to such interest taking effect, such consent shall not be unreasonably withheld.

ARTICLE VII

Section 7.01. Liens, Taxes, Other Governmental Charges and Utility Charges. Lessee shall keep the Equipment under each Lease free of all levies, liens, and encumbrances except those created by such Lease. The parties to this Agreement contemplate that the Equipment under each Lease will be used for a governmental or proprietary purpose of Lessee and that the Equipment will therefore be exempt from all property taxes. If the lease, sale, purchase, operation, use, possession or acquisition of any Equipment is nevertheless determined to be subject to taxation, Lessee shall pay when due all sales and other taxes, special assessments, governmental and other charges of any kind that are at any time lawfully assessed or levied against or with respect to the Equipment, the Rental Payments or any part of either thereof, or which become due during the Lease Term under the affected Lease, whether assessed against Lessee or Lessor. Lessee shall pay all utility and other charges incurred in the operation, use and maintenance of the Equipment. Lessee shall pay such taxes, assessments or charges as the same may become due; *provided* that, with respect to any such taxes, assessments or charges that may lawfully be paid in installments over a period of years, Lessee shall be obligated to pay only such installments as accrue during the Lease Term under the affected Lease. During the Lease Term under each Lease, Lessor will not claim ownership of the Equipment thereunder for the purposes of any tax credits, benefits or deductions with respect to such Equipment. In the event that the installation of any component of any item of Equipment could be deemed to require a payment and performance bond under Section 255.05, Florida Statutes, or be deemed subject to the mechanic's lien provision of Chapter 713, Florida Statutes, or any successor statute to each, as they may be amended from time to time,

Lessee shall require such bonds, post such notices and do all other things provided for under such laws in order to keep the Equipment free of and exempt from all liens.

Section 7.02. Insurance. Lessee shall, during the Lease Term under each Lease, maintain or cause to be maintained (a) casualty insurance naming Lessor and its assigns as loss payee and insuring the Equipment against loss or damage by fire and all other risks covered by the standard extended coverage endorsement then in use in the State, and any other risks reasonably required by Lessor, in an amount at least equal to the greater of (i) the then applicable Casualty Value under such Lease or (ii) the replacement cost of such Equipment; (b) liability insurance naming Lessor and its assigns as additional insured that protects Lessor from liability for bodily injury and property damage coverage (i) in such coverage amounts as may be required by Lessor for the applicable Equipment or (ii) in such minimum coverage amounts as may be agreed upon between Lessor and Lessee in connection with the execution and delivery of a Lease, and in all events under clauses (a) and (b) above issued in form and amount satisfactory to Lessor and by an insurance company that is authorized to do business in the State and having a financial strength rating by A.M. Best Company of "A-" or better; and (c) worker's compensation coverage as required by the laws of the State. Notwithstanding the foregoing, Lessee may self-insure against the risks described in clauses (a) and/or (b) through a government pooling arrangement, self-funded loss reserves, risk retention program or other self-insurance program, in each case with Lessor's prior consent (which Lessor may grant, withhold or deny in its sole discretion) and *provided* that Lessee has delivered to Lessor such information as Lessor may request with respect to the adequacy of such self-insurance to cover the risks proposed to be self-insured and otherwise in form and substance acceptable to Lessor. In the event Lessee is permitted, at Lessor's sole discretion, to self-insure as provided in this Section 7.02, Lessee shall provide to Lessor a self-insurance letter in form and substance satisfactory to Lessor, in Lessor's sole discretion. Lessee shall furnish to Lessor evidence of such insurance or self-insurance coverage throughout the Lease Term under each Lease. Lessee shall not cancel or modify such insurance or self-insurance coverage in any way that would affect the interests of Lessor without first giving written notice thereof to Lessor at least thirty (30) days in advance of such cancellation or modification.

Section 7.03. Risk of Loss. Whether or not covered by insurance or self-insurance, Lessee hereby assumes all risk of loss of, or damage to and liability related to injury or damage to any persons or property arising from the Equipment under any Lease from any cause whatsoever, and no such loss of or damage to or liability arising from the Equipment under any Lease shall relieve Lessee of the obligation to make the Rental Payments or to perform any other obligation under any Lease, subject in all respects to the Lessee's right to non-appropriate. Whether or not covered by insurance or self-insurance, Lessee hereby agrees to reimburse Lessor (to the fullest extent permitted by applicable law, but only from legally available funds budgeted and appropriated for such purpose) for any and all liabilities, obligations, losses, costs, claims, taxes or damages suffered or incurred by Lessor, regardless of the cause thereof and all expenses incurred in connection therewith (including, without limitation, counsel fees and expenses, and penalties connected therewith imposed on interest received) arising out of or as a result of (a) entering into this Agreement or any Lease or any of the transactions contemplated hereby or thereby, (b) the ordering, acquisition, ownership, use, operation, condition, purchase, delivery, acceptance, rejection, storage or return of any item of the Equipment under any Lease, (c) any accident in connection with the operation, use, condition, possession, storage or return of any item of the

Equipment under any Lease resulting in damage to property or injury to or death to any person, and/or (d) the breach of any covenant of Lessee under or in connection with this Agreement or any Lease or any material misrepresentation provided by Lessee under or in connection with this Agreement or any Lease. The provisions of this Section 7.03 shall continue in full force and effect notwithstanding the full payment of all obligations under any or all Leases or the termination of the Lease Term under any or all Leases for any reason. Notwithstanding anything to the contrary, in this Agreement, or in any Lease or Escrow Agreement, Lessor shall not bear any risk of loss of, damage to or liability related to injury or damage to any persons or property arising from the Equipment from or as a results of any cause whatsoever. The Lessee is a governmental entity and is entitled to the benefits of Sovereign Immunity under Florida law and the limited waiver thereof as provided in Section 768.28, Florida Statutes, as amended, and Florida common law. Nothing contained in this Agreement shall be construed as a waiver of any immunity or limitation of liability the Lessee may be entitled to under the doctrine of Sovereign Immunity or Section 768.28, Florida Statutes, as amended.

Section 7.04. Advances. In the event Lessee shall fail to keep the Equipment in good repair and working order or shall fail to maintain any insurance required by Section 7.02 hereof, Lessor may, but shall be under no obligation to, maintain and repair the Equipment or obtain and maintain any such insurance coverages, as the case may be, and pay the cost thereof. All amounts so advanced by Lessor shall constitute additional rent for the then current Original Term or Renewal Term under the affected Lease, and Lessee covenants and agrees to pay such amounts so advanced by Lessor with interest thereon from the date advanced until paid at a rate equal to the Contract Rate (or the Taxable Rate if then in effect) *plus* five percent (5%) per annum or the maximum amount permitted by law, whichever is less.

ARTICLE VIII

Section 8.01. Damage, Destruction and Condemnation. If, prior to the termination of the Lease Term under the related Lease, (a) the Equipment or any portion thereof is destroyed, in whole or in part, or is damaged by fire or other casualty or (b) title to, or the temporary use of, the Equipment or any part thereof shall be taken under the exercise or threat of the power of eminent domain by any governmental body or by any person, firm or corporation acting pursuant to governmental authority, (i) Lessee and Lessor will cause the Net Proceeds of any insurance claim or condemnation award or sale under threat of condemnation to be applied to the prompt replacement, repair, restoration, modification or improvement of the Equipment or such part thereof and any balance of the Net Proceeds remaining after such work has been completed shall be paid to Lessee or (ii) Lessee shall exercise its option to prepay the obligations under the affected Lease in accordance with Section 10.01(a)(ii) hereof.

If Lessee elects to replace any item of the Equipment (the “*Replaced Equipment*”) pursuant to this Section 8.01, the replacement equipment (the “*Replacement Equipment*”) shall be new or of a quality type, utility and condition at least as good as the Replaced Equipment and shall be of equal or greater value than the Replaced Equipment as determined and approved by Lessor in its sole discretion. Lessee shall represent, warrant and covenant to Lessor that each item of Replacement Equipment is free and clear of all claims, liens and encumbrances, excepting only those liens created by or through Lessor, and shall provide to Lessor any and all documents as

Lessor may reasonably request in connection with the replacement. Lessor and Lessee hereby acknowledge and agree that any Replacement Equipment acquired pursuant to this paragraph shall constitute "Equipment" for purposes of this Agreement and the related Lease. Lessee shall complete the documentation of Replacement Equipment on or before the next Rental Payment Date after the occurrence of a casualty event, or be required to prepay the obligations under the related Lease with respect to the damaged Equipment in accordance with Section 10.01(a)(ii) hereof.

For purposes of this Article VIII, the term "*Net Proceeds*" shall mean the amount remaining from the gross proceeds of any insurance claim or condemnation award or sale under threat of condemnation after deducting all expenses, including attorneys' fees, incurred in the collection thereof.

Section 8.02. Insufficiency of Net Proceeds. If the Net Proceeds are insufficient to pay in full the cost of any repair, restoration, modification or improvement referred to in Section 8.01, Lessee shall either (a) complete such replacement, repair, restoration, modification or improvement and pay any costs thereof in excess of the amount of the Net Proceeds, or (b) pay or cause to be paid to Lessor the amount of the then applicable Casualty Value under the related Lease *plus* all other amounts then owing thereunder, and, upon such payment, the applicable Lease Term shall terminate and Lessor's rights in the Equipment shall terminate as provided in Section 6.01 hereof. The amount of the Net Proceeds remaining, if any, after completing such repair, restoration, modification or improvement or after paying such Casualty Value for such Lease *plus* all other amounts then owing thereunder shall be retained by Lessee. If Lessee shall make any payments pursuant to this Section 8.02, Lessee shall not be entitled to any reimbursement therefor from Lessor nor shall Lessee be entitled to any diminution of the amounts payable under Article IV.

ARTICLE IX

Section 9.01. Disclaimer of Warranties. Lessor makes no warranty or representation, either express or implied, as to the value, design, condition, merchantability or fitness for particular purpose or fitness for use of any of the Equipment under each Lease, or any other warranty or representation, express or implied, with respect thereto and, as to Lessor, Lessee's acquisition of the Equipment under each Lease shall be on an "as is" basis. In no event shall Lessor be liable for any incidental, indirect, special or consequential damage in connection with or arising out of this Agreement, any Lease, any Equipment or the existence, furnishing, functioning or Lessee's use of any item, product or service provided for in this Agreement or any Lease.

Section 9.02. Vendor Agreements; Warranties. Lessee covenants that it shall not in any material respect amend, modify, rescind or alter any Vendor Agreement for any Lease without the prior written consent of Lessor. Lessor hereby irrevocably appoints Lessee its agent and attorney-in-fact during the Lease Term under each Lease, so long as Lessee shall not be in default under such Lease and so long as no Event of Non-appropriation has occurred, to assert from time to time whatever claims and rights (including without limitation warranties) relating to the Equipment that Lessor may have against a Vendor. Lessee's sole remedy for the breach of such warranty, indemnification or representation shall be against the applicable Vendor of the

Equipment and not against Lessor. Any such matter shall not have any effect whatsoever on the rights and obligations of Lessor with respect to any Lease, including the right to receive full and timely Rental Payments and other payments under each Lease. Lessee expressly acknowledges that Lessor makes, and has made, no representations or warranties whatsoever as to the existence or the availability of such warranties relating to any of the Equipment under each Lease.

ARTICLE X

Section 10.01. Prepayment; Payment in Full.

(a) *Prepayment.* Lessee shall have the option to prepay or satisfy all, but not less than all, of its obligations under a Lease, at the following times and upon the following terms:

(i) *Optional Prepayment.* From and after the date specified (if any) in the applicable Payment Schedule (the “*Prepayment Option Commencement Date*”), on the Rental Payment Dates specified in such Payment Schedule, upon not less than thirty (30) days prior written notice, and upon payment in full of the sum of all Rental Payments then due under the related Lease *plus* the then applicable Prepayment Price, which may include a prepayment premium on the unpaid Outstanding Balance as set forth in such Payment Schedule *plus* all other amounts then owing thereunder; or

(ii) *Casualty or Condemnation Prepayment.* In the event of substantial damage to or destruction or condemnation of substantially all of the Equipment listed in a Lease, on the day specified in Lessee’s notice to Lessor of its exercise of the prepayment option (which shall be the earlier of the next Rental Payment Date or sixty (60) days after the casualty event) upon payment in full to Lessor of (A) in the event such prepayment occurs on a Rental Payment Date, the sum of (i) all Rental Payments then due under such Lease *plus* (ii) the then applicable Casualty Value for such Lease *plus* (iii) all other amounts then owing thereunder or, (B) in the event such prepayment for such Lease occurs on a date other than a Rental Payment Date, the sum of (i) the applicable Casualty Value shown on the Payment Schedule for such Lease for the Rental Payment Date immediately preceding the applicable date of such prepayment (or if the date of such prepayment occurs prior to the first Rental Payment Date for such Lease, the earliest Casualty Value shown on the related Payment Schedule) *plus* (ii) accrued interest at the Contract Rate (or the Taxable Rate if then in effect) on the Outstanding Balance as of the Rental Payment Date immediately preceding the applicable date of such prepayment from such Rental Payment Date (or if the date of such prepayment occurs prior to the first Rental Payment Date, the Commencement Date for such Lease) to the date of such prepayment *plus* (iii) all other amounts then owing thereunder.

(b) *Payment in Full.* Upon the expiration of the Lease Term under a Lease, the payment in full of all Rental Payments then due and all other amounts then owing under such Lease by Lessee to Lessor.

(c) Lessor’s interests in and to the related Equipment under such Lease will be terminated and Lessee will own such Equipment free and clear of Lessor’s interest in such

Equipment after either (i) payment of either (A) the applicable Prepayment Price and all other amounts then owing under a Lease in accordance with Section 10.01(a)(i) of this Agreement or (B) the applicable Casualty Value and all other amounts then owing under a Lease in accordance with Section 10.01(a)(ii) of this Agreement or (ii) upon the expiration of the Lease Term of a Lease and payment in full of all Rental Payments then due and all other amounts then owing thereunder in accordance with Section 10.01(b) of this Agreement.

ARTICLE XI

Section 11.01. Assignment by Lessor. (a) Lessor's right, title and interest in and to the Rental Payments and any other amounts payable by Lessee under any and all of the Leases and the Escrow Agreement relating to any Lease, and all proceeds therefrom (collectively, with respect to each Lease and related Escrow Agreement, the "*Related Assigned Rights*"), may be assigned and reassigned by Lessor at any time, in whole or in part, to one or more assignees or sub-assignees without the necessity of obtaining the consent of Lessee; *provided*, that any such assignment, transfer or conveyance (i) shall be made only to investors each of whom Lessor reasonably believes, based on a certificate from such investors delivered to Lessor, is a "*qualified institutional buyer*" as defined in Rule 144A(a)(1) promulgated under the Securities Act of 1933, as amended, or an "*accredited investor*" as defined in Section 501(a)(1), (2), (3) or (7) of Regulation D promulgated under the Securities Act of 1933, as amended, and in either case is purchasing the Related Assigned Rights (or any interest therein) for its own account with no present intention to resell or distribute such Related Assigned Rights (or interest therein), subject to each investor's right at any time to dispose of the Related Assigned Rights (or any interest therein) as it determines to be in its best interests, (ii) shall not result in more than 35 owners of the Related Assigned Rights with respect to a Lease or the creation of any interest in the Related Assigned Rights with respect to a Lease in an aggregate principal component that is less than \$100,000 and (iii) shall not require Lessee to make Rental Payments, to send notices or otherwise to deal with respect to matters arising under the Related Assigned Rights with respect to a Lease with or to more than one Lease Servicer (as such term is defined below), and any trust agreement, participation agreement or custodial agreement under which multiple ownership interests in the Related Assigned Rights with respect to a Lease are created shall provide the method by which the owners of such interests shall establish the rights and duties of a single entity, trustee, owner, servicer or other fiduciary or agent acting on behalf of all of the assignees (herein referred to as the "*Lease Servicer*") to act on their behalf with respect to the Related Assigned Rights with respect to a Lease, including with respect to the exercise of rights and remedies of Lessor on behalf of such owners upon the occurrence of an Event of Default or an Event of Non-appropriation under the related Lease. Lessor and Lessee hereby acknowledge and agree that the restrictions and limitations on transfer as provided in this Section 11.01 shall apply to the first and subsequent assignees and sub-assignees of any of the Related Assigned Rights with respect to a Lease (or any interest therein).

(b) Unless to an affiliate controlling, controlled by or under common control with Lessor, no assignment, transfer or conveyance permitted by this Section 11.01 shall be effective as against Lessee until Lessee shall have received a written notice of assignment that discloses the name and address of each such assignee; *provided*, that if such assignment is made to a bank or trust company as trustee or paying agent for owners of certificates of participation, participation interests, trust certificates or partnership interests with respect to the Rental Payments payable under a Lease, it

shall thereafter be sufficient that Lessee receives notice of the name and address of the bank, trust company or other entity that acts as the Lease Servicer for such Lease. Notices of assignment provided pursuant to this Section 11.01(b) shall contain a confirmation of compliance with the transfer requirements imposed by Section 11.01(a) hereof. During the Lease Term under each Lease, Lessee shall keep, or cause to be kept, a complete and accurate record of all such assignments in form necessary to comply with Section 149 of the Code. Lessee shall retain all such notices as a register of all assignees and shall make all payments to the assignee or assignees or Lease Servicer last designated in such register. Lessee shall not have the right to and shall not assert against any assignee any claim, counterclaim or other right Lessee may have against Lessor or any Vendor. Assignments in part may include, without limitation, assignment of all of Lessor's rights in and to the Equipment listed in a particular Lease and all rights in, to and under the Lease related to such Equipment and all rights in, to and under the related Escrow Agreement.

(c) If Lessor notifies Lessee of its intent to assign a Lease, Lessee agrees that it shall execute and deliver to Lessor a Notice and Acknowledgement of Assignment with respect to such Lease, substantially in the form of *Exhibit G* attached hereto, within five (5) business days after its receipt of such request.

Section 11.02. Assignment and Subleasing by Lessee. None of Lessee's right, title and interest in, to and under this Agreement, any Lease or any portion of the Equipment, any Escrow Agreement or the Escrow Account related thereto may be assigned, encumbered or subleased by Lessee for any reason, and any purported assignment, encumbrance or sublease without Lessor's prior written consent shall be null and void.

ARTICLE XII

Section 12.01. Events of Default Defined. Any of the following events shall constitute an "Event of Default" under a Lease:

(a) Failure by Lessee to (i) pay any Rental Payment or other payment required to be paid under any Lease within ten (10) days after the date when due as specified therein, (ii) maintain insurance as required under such Lease (including Section 7.02 of this Agreement, which is incorporated therein), or (iii) observe and perform any covenant, condition or agreement on its part to be observed or performed under Section 6.01 or 6.02 hereof for any Lease;

(b) Failure by Lessee to observe and perform any covenant, condition or agreement contained in this Agreement or any Lease on its part to be observed or performed, other than as referred to in subsection (a) above, for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied is given to Lessee by Lessor, unless Lessor shall agree in writing to an extension of such time prior to its expiration; *provided* that, if the failure stated in the notice cannot be corrected within the applicable period, Lessor will not unreasonably withhold its consent to an extension of such time if corrective action is instituted by Lessee within the applicable period and diligently pursued until the default is corrected;

(c) Any statement, representation or warranty made by Lessee in or pursuant to this Agreement or any Lease or its execution, delivery or performance shall prove to have been false, incorrect, misleading or breached in any material respect on the date when made;

(d) Any default occurs under any other agreement for borrowing money, lease financing of property or otherwise receiving credit under which Lessee is an obligor, if such default (i) arises under any other agreement for borrowing money, lease financing of property or provision of credit provided by Lessor or any affiliate of Lessor (including, without limitation, the occurrence of any Event of Default under any other Lease), or (ii) arises under any obligation under which there is outstanding, owing or committed an aggregate amount in excess of \$100,000.00;

(e) Lessee shall (i) apply for or consent to the appointment of a receiver, trustee, custodian or liquidator of Lessee, or of all or a substantial part of the assets of Lessee, (ii) be unable, fail or admit in writing its inability generally to pay its debts as they become due, (iii) make a general assignment for the benefit of creditors, (iv) have an order for relief entered against it under applicable Federal bankruptcy law, or (v) file a voluntary petition in bankruptcy or a petition or an answer seeking reorganization or an arrangement with creditors or taking advantage of any insolvency law or any answer admitting the material allegations of a petition filed against Lessee in any bankruptcy, liquidation, readjustment, reorganization, moratorium or insolvency proceeding; or

(f) An order, judgment or decree shall be entered by any court of competent jurisdiction, approving a petition or appointing a receiver, trustee, custodian or liquidator for Lessee or of all or a substantial part of the assets of Lessee, in each case without its application, approval or consent, and such order, judgment or decree shall continue unstayed and in effect for any period of thirty (30) consecutive days.

Notwithstanding anything herein to the contrary, an Event of Non-appropriation pursuant to Section 3.03 hereof shall not constitute an Event of Default hereunder.

Section 12.02. Remedies on Default. Whenever any Event of Default exists under any Lease, Lessor shall have the right, at its sole option without any further demand or notice, to take one or any combination of the following remedial steps with respect to any or all Leases with an Event of Default under this Agreement, including those with an Event of Default pursuant to Section 12.01(d) (each a “*Defaulted Lease*”):

(a) By written notice to Lessee, Lessor may declare all Rental Payments payable by Lessee pursuant to one or more Defaulted Leases and other amounts payable by Lessee under each such Defaulted Lease to the end of the then current Original Term or Renewal Term to be immediately due and payable;

(b) With or without terminating the Lease Term under any one or more Defaulted Leases, Lessor may request that Lessee, at Lessee’s expense, promptly return any or all of such Equipment to the possession of Lessor at such place within the United

States as Lessor shall specify. In such event, Lessor shall use its best efforts to sell or lease such Equipment. If Lessee returns the Equipment and Lessor sells, leases or otherwise disposes of any or all of the Equipment, Lessor shall apply the proceeds of such sale, lease or other disposition as described in Section 12.04. Lessee shall not be liable for any deficiency after sale, lease or other disposition of the Equipment. If Lessee elects not to return the Equipment, Lessor is entitled to payment of unpaid Rental Payments through the date of Lessor's request to return the Equipment plus the then applicable Prepayment Price, as set forth in the applicable Schedule for such Equipment. The exercise of any such remedies respecting any such Event of Default under any such Defaulted Lease shall not relieve Lessee of any other liabilities under each such Defaulted Lease or any other Lease that Lessor determines not to treat as a Defaulted Lease or with respect to the Equipment listed therein;

Brevard County Educational Facilities Authority*, 247 So. 2d 304 (Fla. 1971), and (ii) Lessor may not exercise any foreclosure-type remedies if an Event of Default occurs, *State v. Brevard County*, 539 So. 2d 461 (Fla. 1989), notwithstanding any provisions to the contrary in this Agreement.

Section 12.03. No Remedy Exclusive. No remedy herein conferred upon or reserved to Lessor is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder and/or under any Lease now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle Lessor to exercise any remedy reserved to it in this Article XII it shall not be necessary to give any notice other than such notice as may be required in this Article XII.

Section 12.04. Application of Moneys. Any net proceeds from the exercise of any remedy under this Agreement, including the application specified in Section 12.02(b)(ii) (after deducting all expenses of Lessor in exercising such remedies including without limitation all expenses of taking possession, storing, reconditioning and selling or leasing Equipment and all brokerage, auctioneer's or attorney's fees), shall be applied as follows:

(a) If such remedy is exercised solely with respect to a single Defaulted Lease, Equipment listed in such Defaulted Lease or rights thereunder, then to amounts due

pursuant to such Defaulted Lease and to other amounts related to such Defaulted Lease or such Equipment.

FORM OF OPINION OF COUNSEL TO LESSEE

City Council of the
City of Marco Island, Florida
Marco Island, Florida

Banc of America Public Capital Corp

Re: Equipment Schedule No. __, dated _____. 20__, to Master Equipment Lease/Purchase Agreement, dated as of August 1, 2025, by and between Banc of America Public Capital Corp, as Lessor, and the City of Marco Island, Florida, as Lessee

Ladies and Gentlemen:

This opinion is being delivered as the opinion of Counsel to the City of Marco Island, Florida (the “Lessee”). All terms used herein in capitalized form and not otherwise defined herein shall have the same meanings assigned thereto in the Agreement (as hereinafter defined). In connection with that certain Master Equipment Lease/Purchase Agreement, dated as of August 1, 2025 and Exhibits thereto (the “Agreement”), by and between Banc of America Public Capital Corp, as lessor (“Lessor”), and Lessee, we have examined the Constitution of the State of Florida, Chapter 166, Part II, Florida Statutes, the municipal charter of the Lessee and other applicable provisions of Florida law.

We are members of the bar of the State of Florida and we are licensed to practice law in the State of Florida. We have made such examination of the laws of the State of Florida as we have deemed relevant for purposes of this opinion, and have not made any independent review of the law of any other state, jurisdiction or institution or any federal law or regulation, including federal tax law. The opinions expressed herein are limited solely to the laws of the State of Florida. Notwithstanding the foregoing, the opinions contained herein shall not be construed as expressing any opinion regarding local statutes, ordinances, administrative decisions, or regarding the rules and regulations of counties, towns, municipalities or special political subdivisions (whether created or enabled through legislative action at the state or regional level), or regarding judicial decisions to the extent they deal with any of such local jurisdictions, except for the applicable ordinances, administrative decisions, rules or regulations of the Lessee or regarding judicial decisions to the extent they deal directly with the Lessee.

In rendering the opinions hereinafter set forth, we have assumed that:

(a) all signatures on documents examined by us (other than those of the Lessee) are genuine, all documents submitted to us as originals are authentic and all documents submitted to us as copies are true and correct copies of such documents, the originals of which are authentic; and

(b) each person or entity that is a party to an approval (other than those of the Lessee), (i) is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization and the jurisdictions where it is required to exist or be qualified for the purpose of executing and delivering such document and performing its obligations thereunder; (ii) has all requisite power and authority to execute and deliver and to perform its obligations thereunder; (iii) has duly authorized by all requisite action the execution and delivery of such document, and the performance of its obligations thereunder; (iv) has duly executed and delivered such document; and (v) has accurately, truly and completely represented applicable federal matters (We have made no independent examination of the aforesaid matters).

As to questions of fact material to my opinion, we have relied upon, and have not independently verified, representations of officials and representatives of the Lessee. Our opinion is based on the facts and law existing as of the date of this letter. We have relied on the certified proceedings and other certifications of public officials, officers of the Lessee and others without undertaking to verify the same by independent investigation.

Based solely on the foregoing, and subject to the limitations and qualifications herein set forth, as of the date hereof, we are of the opinion that:

1. Lessee is a municipality duly organized and existing under the laws of the State of Florida.

2. Lessee has the requisite power and authority to lease and acquire the Equipment and to execute and deliver (a) the Agreement; (b) Equipment Schedule No. ___, dated ___, by and between Lessor and Lessee, which incorporates by reference the terms and provisions of the Agreement (such Equipment Schedule No. ___, together with such incorporated terms and provisions are herein referred to collectively as the "Schedule"), has attached the Rental Payment Schedule with respect thereto (the "Payment Schedule"), and provides for the lease of the Equipment; (c) that certain Escrow Agreement dated as of ___ (the "Escrow Agreement"), by and among Lessor, Lessee and [___], as Escrow Agent; (d) Resolution No. ___ adopted on ___ of Lessee with respect to authorization of the transaction contemplated by the Agreement, the Schedule, the Escrow Agreement and documents related thereto; and (e) such other opinions, documents and matters of law as we have deemed necessary in connection with the lease and acquisition the Equipment (collectively, "Transaction Documents") and to perform its obligations under the Transaction Documents.

3. The Transaction Documents have been duly authorized, approved, executed and delivered by and on behalf of Lessee and the Transaction Documents are legal, valid and binding obligations of Lessee, enforceable in accordance with their respective terms; provided, however, the enforceability thereof may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights generally and subject, as to enforceability, to general principles of equity and the exercise of judicial discretion.

4. There is no proceeding pending or, to the best of my knowledge, threatened in any court or before any governmental authority or arbitration board or tribunal that, if adversely

determined, would adversely affect the transactions contemplated by the Transaction Documents or the rights of Lessor or its assigns, as the case may be, in the Equipment under the Lease or the Escrow Account.

We express no opinion as to the status of interest on the Lease under either federal laws or the laws of the State of Florida. The opinions expressed herein are limited to the matters expressly set forth herein, and no opinion is implied or may be inferred beyond the matters expressly stated herein. The opinions expressed herein are based on the actual current knowledge of the attorneys in our firm who have given substantive attention to the representation of the Lessee in this matter and does not include constructive notice of matters or information or imply that we have undertaken any independent investigation with any person outside the firm, as to the accuracy or completeness of any factual representation or other information made or furnished in connection with the Transaction Documents. No opinion is expressed herein with respect to the adequacy of the security for the Lease, any other matter relating to the Lease, or any other matter requiring an opinion.

This opinion is rendered and delivered to you solely for the benefit of the addressees hereof in connection with the transactions contemplated hereby. Any permitted assignee of the Lease may rely on this opinion; *provided, however*, an assignment of the Lease shall not constitute a republication or reissuance of this opinion. The opinions rendered herein may not be used, circulated, quoted, relied upon or otherwise referred to by others for any purpose without our prior written consent. The opinions set forth in this letter are rendered as of the date of this letter and we do not assume any duty to update the opinions rendered herein.

FORM OF OPINION OF BOND COUNSEL

City Council of the
City of Marco Island, Florida

Re: Equipment Schedule No. __, dated _____, to Master Equipment Lease/Purchase Agreement, dated as of August 1, 2025, by and between Banc of America Public Capital Corp, as Lessor, and the City of Marco Island, Florida, as Lessee

Ladies and Gentlemen:

We have acted as Bond Counsel to our client, the City of Marco Island, Florida (the “City”), with respect to the Master Equipment Lease/Purchase Agreement dated as of August 1, 2025, and the Equipment Schedule No. __ dated _____, 20__ attached thereto, each by and between the City, as Lessee (the “Lessee”), and Banc of America Public Capital Corp, as Lessor (the “Lessor”) (together, the “Lease”), and in this capacity have reviewed a duplicate original of the Lease. The terms capitalized in this opinion but not defined herein shall have the meanings assigned to them in the Lease.

As to questions of fact material to our opinion, we have relied upon representations of the Lessee contained in the Lease and in the certified proceedings and other certifications of the Lessee and others furnished to us, without undertaking to verify the same by independent investigation. We have not undertaken an independent audit, examination, investigation or inspection of such matters and have relied solely on the facts, estimates and circumstances described in such proceedings and certifications. We have assumed the genuineness of signatures on all documents and instruments, the authenticity of documents submitted as originals and the conformity to originals of documents submitted as copies.

The payments due under the Lease in each fiscal year (the “Lease Payments”) are payable from and subject to the annual appropriation of legally available revenues of the Lessee appropriated for the payment thereof, solely in the manner and to the extent provided in the Lease. The Lease does not constitute a general obligation or indebtedness of the City within the meaning of any constitutional, statutory or other limitation of indebtedness and the holders thereof shall never have the right to compel the exercise of any ad valorem taxing power of the City or taxation in any form on any real or personal property for the payment of the principal of or interest on the Lease.

The opinions set forth below are expressly limited to, and we opine only with respect to, the federal income tax laws of the United States of America and the laws of the State of Florida (the “State”).

Based on our examination, we are of the opinion that, under existing law: (i) the Lessee is, within the meaning of Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), a fully constituted political subdivision of the State; (ii) the execution, delivery and performance by the Lessee of the Lease have been duly authorized by all necessary action on the part of the Lessee; (iii) the Lease constitutes a legal, valid and binding obligation of the Lessee enforceable in accordance with its terms; and (iv) the interest component of the Lease Payments due under the Lease is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax. The opinions set forth in (iv) above are subject to the condition that the Lessee complies with all requirements of the Code, that must be satisfied subsequent to the execution and delivery of the Lease in order that the interest component of the Lease Payments due under the Lease be, and continue to be, excludable from gross income for federal income tax purposes. The Lessee has covenanted in the Lease to comply with all such requirements. Failure to comply with certain of such requirements may cause the interest component of the Lease Payments due under the Lease to be included in gross income for federal income tax purposes retroactively to the date of delivery of the Lease.

It is to be understood that the Lease and the enforceability thereof may be subject to the exercise of judicial discretion in accordance with general principles of equity, to the valid exercise of the sovereign police powers of the State of Florida and of the constitutional powers of the United States of America and to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted.

With respect to the opinions contained in the preceding paragraph, no opinion is expressed with respect to consequences under the Code of any payments to be received with respect to the Lease following termination of the Lease as a result of the occurrence of a non-appropriation of funds under Section 3.03 of the Lease or an Event of Default thereunder.

The scope of our engagement in relation to the execution and delivery of the Lease has been limited to the examination of facts and law incident to rendering the opinions expressed herein. The only opinions rendered hereby are those expressly stated as such herein, and no other opinion shall be implied or inferred from anything contained herein or omitted herefrom.

We express no opinion herein regarding the perfection or priority of the lien, if any, on the Equipment and the funds created under the Lease. We express no opinion as to compliance with public bidding requirements or procurement laws applicable to the Lessee with respect to the financing of the Equipment.

For purposes of this opinion, we have not been engaged or undertaken to review and, therefore, express no opinion herein regarding the accuracy, completeness or adequacy of any financial information furnished by the Lessee to the Lessor as an inducement for the Lessor to accept the Lease, and we express no opinion relating thereto. This opinion should not be construed as offering material, an offering circular, prospectus or official statement and is not intended in any way to be a disclosure statement used in connection with the execution and delivery of the Lease. Further, we express no opinion regarding federal income or state tax consequences arising with respect to the Lease other than as expressly set forth herein.

The facts and opinions set forth in this opinion may be relied upon by the addressees of this letter and their permitted successors and/or assigns. Notwithstanding the foregoing, nothing contained herein is intended to either create an attorney-client relationship between the Lessor and our firm, or to create any duty on the part of this firm to amend or supplement this opinion following a change in any facts or laws upon which this opinion is predicated.

Our opinions expressed herein are predicated upon present law, facts and circumstances, and we assume no affirmative obligation to update the opinions expressed herein if such laws, facts or circumstances change after the date hereof.

Respectfully submitted,

(a) There is hereby created an escrow fund to be known as the “City of Marco Island, Florida Equipment Schedule No. __ Escrow Account” (the “*Escrow Account*”) to be held by the Escrow Agent for the purposes stated herein, for the benefit of Lessor and Lessee, to be held, disbursed and returned in accordance with the terms hereof.

(b) Lessee may, from time to time, provide written instructions for Escrow Agent to use any available cash in the Escrow Account to purchase any money market fund or liquid deposit investment vehicle that Escrow Agent from time to time makes available to the parties hereto. Such written instructions shall be provided via delivery to Escrow Agent of a signed and completed Escrow Account Investment Selection Form (such form available from Escrow Agent upon request). All funds invested by Escrow Agent at the direction of Lessee in such short-term investments (as more particularly described in Escrow Agent’s Escrow Account Investment Selection Form) shall be deemed to be part of the Escrow Account and subject to all the terms and conditions of this Agreement. If any cash is received for the Escrow Account after the cut-off time for the designated short-term investment vehicle, the Escrow Agent shall hold such cash uninvested until the next Business Day. In the absence of written instructions from Lessee (on Escrow Agent’s Escrow Account Investment Selection Form) designating a short-term investment of cash in the Escrow Account, cash in the Escrow Account shall remain uninvested and it shall not be collateralized. Escrow Agent shall have no obligation to pay interest on cash in respect of any period during which it remains uninvested. Lessee shall be solely responsible for ascertaining that all proposed investments and reinvestments are Qualified Investments and that they comply with federal, state and local laws, regulations and ordinances governing investment of such funds and for providing appropriate notice to the Escrow Agent for the reinvestment of any maturing

investment. Accordingly, neither the Escrow Agent nor Lessor shall be responsible for any liability, cost, expense, loss or claim of any kind, directly or indirectly arising out of or related to the investment or reinvestment of all or any portion of the moneys on deposit in the Escrow Account, and Lessee agrees to and does hereby release the Escrow Agent and Lessor from any such liability, cost, expenses, loss or claim. Interest on the Escrow Account shall become part of the Escrow Account, and gains and losses on the investment of the moneys on deposit in the Escrow Account shall be borne by the Lessee. The Escrow Agent shall have no discretion whatsoever with respect to the management, disposition or investment of the Escrow Account. The Escrow Agent shall not be responsible for any market decline in the value of the Escrow Account and has no obligation to notify Lessor and Lessee of any such decline or take any action with respect to the Escrow Account, except upon specific written instructions stated herein. For purposes of this Agreement, "Qualified Investments" means any investments which meet the requirements of Section 1010.53(2) and Section 218.415, Florida Statutes.

(c) Unless the Escrow Account is earlier terminated in accordance with the provisions of paragraph (d) below, amounts in the Escrow Account shall be disbursed by the Escrow Agent in payment of amounts described in Section 2 hereof upon receipt of written instruction(s) from Lessor, as is more fully described in Section 2 hereof. If the amounts in the Escrow Account are insufficient to pay such amounts, Lessee shall provide any balance of the funds needed to complete the acquisition of the Equipment. Any moneys remaining in the Escrow Account on or after the earlier of (i) the expiration of the Acquisition Period or (ii) the date on which Lessee executes an Acceptance Certificate shall be applied as provided in Section 4 hereof.

(d) The Escrow Account shall be terminated at the earliest of (i) the final distribution of amounts in the Escrow Account, (ii) the date on which Lessee executes a Final Acceptance Certificate or (iii) written notice given by Lessor of the occurrence of an Event of Default under the Lease or termination of the Lease due to an Event of Non-appropriation. Notwithstanding the foregoing, this Agreement shall not terminate nor shall the Escrow Account be closed until all funds deposited hereunder have been disbursed.

(e) The Escrow Agent may act in reliance upon any writing or instrument or signature which it, in good faith, believes to be genuine and may assume the validity and accuracy of any statement or assertion contained in such a writing or instrument. The Escrow Agent shall not be liable in any manner for the sufficiency or correctness as to form, manner of execution, or validity of any instrument nor as to the identity, authority, or right of any person executing the same; and its duties hereunder shall be limited to the receipt of such moneys, instruments or other documents received by it as the Escrow Agent, and for the disposition of the same in accordance herewith. Notwithstanding and without limiting the generality of the foregoing, concurrent with the execution of this Agreement, Lessee and Lessor, respectively, shall deliver to the Escrow Agent an authorized signers form in the form of Exhibit A-1 (Lessee) and Exhibit A-2 (Lessor) attached hereto. Notwithstanding the foregoing sentence, the Escrow Agent is authorized to comply with and rely upon any notices, instructions or other communications believed by it to have been sent or given by the parties or by a person or persons authorized by the parties. The Escrow Agent specifically allows for receiving direction by written or electronic transmission from an authorized representative with the following caveat, Lessee and Lessor agree to indemnify and hold harmless the Escrow Agent against any and all claims, losses, damages, liabilities, judgments, costs and expenses (including reasonable attorneys' fees) (collectively, "*Losses*") incurred or sustained by

the Escrow Agent as a result of or in connection with the Escrow Agent's reliance upon and compliance with instructions or directions given by written or electronic transmission given by each, respectively, provided, however, that such Losses have not arisen from the gross negligence or willful misconduct of the Escrow Agent, it being understood that forbearance on the part of the Escrow Agent to verify or confirm that the person giving the instructions or directions, is, in fact, an authorized person shall not be deemed to constitute gross negligence or willful misconduct.

In the event conflicting instructions as to the disposition of all or any portion of the Escrow Account are at any time given by Lessor and Lessee, the Escrow Agent shall abide by the instructions or entitlement orders given by Lessor without consent of the Lessee.

(f) Unless the Escrow Agent is guilty of gross negligence or willful misconduct with regard to its duties hereunder, Lessee agrees to and does hereby release and indemnify the Escrow Agent and hold it harmless from any and all claims, liabilities, losses, actions, suits or proceedings at law or in equity, or any other expenses, fees or charges of any character or nature, which it may incur or with which it may be threatened by reason of its acting as Escrow Agent under this Agreement; and in connection therewith, does to the extent permitted by law, indemnify the Escrow Agent against any and all expenses, including reasonable attorneys' fees and the cost of defending any action, suit or proceeding or resisting any claim.

(g) If Lessee and Lessor shall be in disagreement about the interpretation of the Lease, or about the rights and obligations, or the propriety of any action contemplated by the Escrow Agent hereunder, the Escrow Agent may, but shall not be required to, file an appropriate civil action including an interpleader action to resolve the disagreement. The Escrow Agent shall be reimbursed by Lessee for all costs, including reasonable attorneys' fees, in connection with such civil action, and shall be fully protected in suspending all or part of its activities under the Lease until a final judgment in such action is received.

(h) The Escrow Agent may consult with counsel of its own choice and shall have full and complete authorization and protection with the opinion of such counsel. The Escrow Agent shall otherwise not be liable for any mistakes of fact or errors of judgment, or for any acts or omissions of any kind unless caused by its willful misconduct.

(i) Lessee shall reimburse the Escrow Agent for all reasonable costs and expenses, including those of the Escrow Agent's attorneys, agents and employees incurred for non-routine administration of the Escrow Account and the performance of the Escrow Agent's powers and duties hereunder in connection with any Event of Default under the Lease, any termination of the Lease due to an Event of Non-appropriation or in connection with any dispute between Lessor and Lessee concerning the Escrow Account.

(j) The Escrow Agent or any successor may at any time resign by giving mailed notice to Lessee and Lessor of its intention to resign and of the proposed date of resignation (the "*Effective Date*"), which shall be a date not less than 60 days after such notice is delivered to an express carrier, charges prepaid, unless an earlier resignation date and the appointment of a successor shall have been approved by the Lessee and Lessor. After the Effective Date, the Escrow Agent shall be under no further obligation except to hold the Escrow Account in accordance with

the terms of this Agreement, pending receipt of written instructions from Lessor regarding further disposition of the Escrow Account.

(k) The Escrow Agent shall have no responsibilities, obligations or duties other than those expressly set forth in this Agreement and no implied duties, responsibilities or obligations shall be read into this Agreement.

2. Acquisition of Property.

(a) Acquisition Contracts. Lessee will arrange for, supervise and provide for, or cause to be supervised and provided for, the acquisition of the Equipment, with moneys available in the Escrow Account. Lessee represents the estimated costs of the Equipment are within the funds estimated to be available therefor, and Lessor makes no warranty or representation with respect thereto. Lessor shall have no liability under any of the acquisition or construction contracts. Lessee shall obtain all necessary permits and approvals, if any, for the acquisition, equipping and installation of the Equipment, and the operation and maintenance thereof. Escrow Agent shall have no duty to monitor or enforce Lessee's compliance with the foregoing covenant.

(b) Authorized Escrow Account Disbursements. It is agreed as between Lessee and Lessor that disbursements from the Escrow Account shall be made for the purpose of paying (including the reimbursement to Lessee for advances from its own funds to accomplish the purposes hereinafter described) the cost of acquiring the Equipment.

(c) Requisition Procedure. No disbursement from the Escrow Account shall be made unless and until Lessor has approved such requisition. Prior to disbursement from the Escrow Account there shall be filed with the Escrow Agent a requisition for such payment in the form of Disbursement Request attached hereto as Schedule 1, stating each amount to be paid and the name of the person, firm or corporation to whom payment thereof is due. All disbursements shall be made by wire transfer. The Escrow Agent is authorized to obtain and rely on confirmation of such Disbursement Request and payment instructions by telephone call-back to the person or persons designated for verifying such requests on Exhibit A-2 (such person verifying the request shall be different than the person initiating the request). The Lessor and Lessee hereby confirm that any call-back performed by Escrow Agent to verify a disbursement instruction pursuant to a Disbursement Request submitted pursuant to this Section 2(c) before release, shall be made to Lessor only and Escrow Agent shall have no obligation to call-back Lessee.

Each such Disbursement Request shall be signed by an authorized representative of Lessee (an "*Authorized Representative*") and by Lessor, and shall be subject to the following conditions, which Escrow Agent shall conclusively presume have been satisfied at such time as a requisition executed by Lessee and Lessor is delivered to it:

1. Delivery to Lessor of an executed Disbursement Request in the form attached hereto as Schedule 1; and
2. Delivery to Lessor of copies of invoices (and proofs of payment of such invoices, if Lessee seeks reimbursement) and bills of sale (if title to such Equipment has passed to Lessee) therefor as required by Section 3.04 of the Lease and any additional documentation reasonably requested by Lessor.

Lessee and Lessor agree that their execution of the form attached hereto as Schedule 1 and delivery of the executed form to Escrow Agent confirms that all of the requirements and conditions with respect to disbursements set forth in this Section 2 have been satisfied.

3. Deposit to Escrow Account. Upon satisfaction of the conditions specified in Section 3.04 of the Lease, Lessor will cause the Acquisition Amount to be deposited in the Escrow Account. Lessee agrees to pay any costs with respect to the Equipment in excess of amounts available therefor in the Escrow Account.

4. Excessive Escrow Account. Upon receipt of written instructions from Lessor including a representation that one of the following conditions has been satisfied (upon which representation Escrow Agent shall conclusively rely), any funds remaining in the Escrow Account on or after the earlier of (a) the expiration of the Acquisition Period or (b) the date on which Lessee executes an Acceptance Certificate, or upon a termination of the Escrow Account as otherwise provided herein, shall be distributed by the Escrow Agent to the Lessor in order for the Lessor to apply such funds to amounts owed by Lessee under the Lease in accordance with Section 4.07 of the Lease.

5. Information Required Under USA PATRIOT ACT. The parties acknowledge that in order to help the United States government fight the funding of terrorism and money laundering activities, pursuant to Federal regulations that became effective on October 1, 2003 (Section 326 of the USA PATRIOT Act) all financial institutions are required to obtain, verify, record and update information that identifies each person establishing a relationship or opening an account. The parties to this Agreement agree that they will provide to the Escrow Agent such information as it may request, from time to time, in order for the Escrow Agent to satisfy the requirements of the USA PATRIOT Act, including but not limited to the name, address, tax identification number and other information that will allow it to identify the individual or entity who is establishing the relationship or opening the account and may also ask for formation documents such as articles of incorporation or other identifying documents to be provided.

This Agreement may not be amended except in writing signed by all parties hereto. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original instrument and each shall have the force and effect of an original and all of which together constitute, and shall be deemed to constitute, one and the same instrument. 9. Any bank or corporation into which the Lessor may be merged or with which it may be consolidated, or any bank or corporation to whom the Lessor may transfer a substantial amount of its business, shall be the successor to the Lessor without the execution or filing of any paper or any further act on the part of any of the parties, anything herein to the contrary notwithstanding.

10. This Agreement may be amended, modified, and/or supplemented only by an instrument in writing executed by all parties hereto.

11. No party hereto shall assign its rights hereunder until its assignee has submitted to the Escrow Agent (i) Patriot Act disclosure materials and the Escrow Agent has determined that on the basis of such materials it may accept such assignee as a customer and (ii) assignee has delivered an IRS Form W-8 or W-9, as appropriate, to the Escrow Agent which the Escrow Agent has determined to have been properly signed and completed.

12. Escrow Agent will treat information related to this Agreement as confidential but, unless prohibited by law, Lessee and Lessor authorize the transfer or disclosure of any information relating to this Agreement to and between the subsidiaries, officers, affiliates and other representatives and advisors of Escrow Agent and third parties selected by any of them, wherever situated, for confidential use in the ordinary course of business, and further acknowledge that Escrow Agent and any such subsidiary, officer, affiliate or third party may transfer or disclose any such information as required by any law, court, regulator or legal process.

Lessor will treat information related to this Agreement as confidential but, unless prohibited by law, Escrow Agent and Lessee authorize the transfer or disclosure of any information relating to this Agreement to and between the subsidiaries, officers, affiliates, other representatives and advisors of Lessor and debt and equity sources and third parties selected by any of them, and to their prospective assignees wherever situated, for confidential use in the ordinary course of business, and further acknowledge that Lessor and any such subsidiary, officer, affiliate, debt and equity source or third party or prospective assignee may transfer or disclose any such information as required by any law, court, regulator or legal process.

Lessee shall promptly notify Lessor in writing when any component of the Equipment under this Equipment Schedule is reasonably expected within forty-five (45) days to become an Inoperable Component. Lessee shall promptly replace or rebuild the Inoperable Component under this Equipment Schedule with a similar component of comparable or improved make and model that has at least the equivalent value and utility of the applicable Inoperable

Component, a remaining useful life of no less than the remaining Lease Term under this Equipment Schedule and such replacement or rebuilt component shall be in good operating condition.

(b) If Lessee elects to replace any item of the Equipment with Replacement Equipment pursuant to Section 8.01 of the Agreement, in addition to the other requirements set forth in Section 8.01, the Replacement Equipment shall also provide at least the same level of energy and/or operational savings expected in the aggregate from the Replaced Equipment prior to such casualty, destruction or condemnation and shall have an expected remaining useful life at least through the Lease Term.

Each bond shall be conditioned on the completion of the work in accordance with the plans and specifications for the Equipment listed in this Equipment Schedule and upon payment of all claims of subcontractors and suppliers. Lessee shall cause the surety company to add Lessor as a co-obligee on each Surety Bond, and shall deliver a certified copy of each Surety Bond to Lessor promptly upon receipt thereof by Lessee. Any proceeds from a Surety Bond shall be applied in accordance with such Surety Bond to the payment and performance of the Vendor's obligations in accordance with the related Vendor Agreement and, if for whatever reason such proceeds are not so applied, first to amounts due Lessor under this Equipment Schedule, and any remaining amounts shall be payable to Lessee.

In the event of a material default by any Vendor under any Vendor Agreement in connection with the acquisition, construction, maintenance and/or servicing of the Equipment listed in this Equipment Schedule or in the event of a material breach of warranty with respect to any material workmanship or performance guaranty with respect to such Equipment, Lessee will promptly proceed to exhaust its remedies against the Vendor in default. Lessee shall advise Lessor of the steps it intends to take in connection with any such default.
