Please share inspiring reasons why this property is a deserving candidate for the Marco In Bloom Landscape Award. The selection criteria for winners include creativity, the use of color, texture, and contrast, pride of ownership, and curb appeal. While the use of Florida-Friendly plants, minimal grass, and water conservation practices are considered in all categories, these factors are especially significant in the Residential with Florida Friendly category. **Properties may be self-nominated.**

Please upload 1-2 photos of the property with your application, or text them to Victoria Myers at (607) 592-0795 along with the property address.

A link to the application can be found on the Marco Island City Website. Application forms can be printed, completed, scanned, and emailed to VictoriaAMyers@gmail.com, or mailed to V. Myers, 814 Bluebonnet Ct, Marco Island, FL 34145. **Forms are due no later than March 10th, 2026. Winners to be announced at the April 6th, 2026 City Council Meeting.** *Marco In Bloom Winners from the past three years are not eligible to participate.*
