Neighbor
690 Pelican CT

My name is Geoff Strong. I am considering buying a new power catamaran at my home 742 Pelican CT. The new boat would require me to protrude 27.5 ft into the canal, about 2.5 ft more than my current boat. Could you please let me know if you have any objection to this proposal? If no, can you please sign the attached letter and email or text it to me?

Thank you

Strong Residence Boat Dock Extension Proposal 742 Pelican Ct

- Proposed Boat Dock Extension**
- Allow boat to be moored up to 27.5 ft from the sea wall
 - Add three new pilings shown in red. All other pilings and dock facilities are existing.
 - Two pilings at property lines are for hurricane mooring lines. Piling at vessel lift cleat is for daily use.
