(7) PUBLIC COMMENT (TIME CERTAIN 4:00 P.M.)

Doug Kelly, 61 North Barfield Drive, Racquet Center member stated Pickleball (PB) members (20-25) concerned with court waiting time. Received 140+ petition signatures to add 2 more PB courts. Parking no longer issue, been resolved. Some players riding bicycles, parking at City Hall or Mackle Park. Most players stay longer playing 6-8 games. Requesting fixing tennis court #1 to 4 PB courts.

Vice Chair Richards stated Director Smith and Ms. Malloy with look into MOR Sports for second opinion. Safety of PB/Tennis lines are posted on MOR Sports website, as option. Will inquire with MOR on different colored lines, and why complicated changing colored lines. Last year, PRAC voted to add 9 PB courts in May 2018. Vice Chair Richards requested Ms. Montgomery research why 9 PB courts not completed.

Member Siegel will email Ms. Montgomery second opinion contractor's name (for another bid) to present to City Council for additional PB courts at Racquet Center.

Margaret Bramel, MI resident presented MOR Sports website showing lines on 4 PB courts. She played on courts with dual lines with no issue. Take #8 tennis court to make 4 PB courts, to avoid irrigation issue, instead of converting tennis court 8. Instructors agree, parking resolved, PB players ride/car pool to park elsewhere. Shorter time between games to accommodate 200+ PB players. Members agreed to donate funds to line PB courts.

Member Shagott thanked staff (Bill/Lee) for Tennis/PB courts working in good playing condition. Three (3) yrs. had 3 PB courts on #2 court, lines were faint, worked okay.

Member Kuhn stated RC was under utilized, cost \$70,000 per year, attendance constant, need for 9 PB courts. MOTION by Member Kuhn to repair court 1 for 4 pb courts. MOTION delayed to research why project not completed.
