Qualifications

Please list your community activities and positions held (Example: Civic clubs, neighborhood associations, etc.):

Member of Democratic Womens Club of Marco Island and serve on their board. Past volunteer at Our Daily Bread Food Pantry. Own Marco Fun Rentals , a business on the Island.

Why do you want to serve on a committee?

I hail from the UK - a very green and verdant land ! I was involoved in horticulture there for many years, one of my first jobs after leaving school was in a Garden Center selling plants and all things "garden". I love to see the island parks and medians looking beautiful , and would love to help keep them that way. As a committee member I would love to hear public input and help on programs we have already in the pipeline. I would also like to help in getting grants for future projects that could help in any beautification on Marco Island.

What issues do you think should be addressed by this committee?

I would like to implement a "sponsor a median" program for MI. This would enhance any medians that are looking a little worse for wear and potentailly save the City money. It has been done in many cities in Florida and I feel we could benefit from this here.
