Request # 626 from the Government Outreach System is due today.

Request type: Problem

Request area: Commercial zoning certificates

Reported by: Donna D

Description: I am very upset you are allowing a fast food place so close to the cemetery. I do not want their garbage blowing all over the cemetery or them drawing rats to the cemetery. My parents are buried at the cemetery and it is a sacred place for many families. Why would you think this is ok. I do not believe you listen to the residents of Marco at all. Donna Dallmann
