RE: Model TM720D-400 Membrane Elements

Dear Laura:

Please accept this letter as confirmation that Toray is the single source manufacturer of Model TM720D-400 membrane elements.

If you have any questions regarding the availability of the Model TM720D-400 membrane elements, please contact me directly at (941)-243-1039.

We greatly appreciate the opportunity to support the projects of significant importance for the City of Marco Island.

Sincerely,

Justin Bartlett
