|--|--|
| <input type="checkbox"/> Residential: (select one) | <input type="checkbox"/> Cul-De-Sac |
| <input type="checkbox"/> Professionally Designed | <input type="checkbox"/> Commercial/Public Building |
| <input type="checkbox"/> Personally Designed | <input type="checkbox"/> Condominium |
| <input type="checkbox"/> Residential Florida Friendly | |

Property Owner: _____

Address: _____

Phone: _____

Should the backyard be considered, and is access granted? Yes / No

Person Nominating : _____ **Phone #** _____

Please share inspiring reasons why this property is a deserving candidate for the Marco In Bloom Landscape Award. The selection criteria for winners include creativity, the use of color, texture, and contrast, pride of ownership, and curb appeal. While the use of Florida-Friendly plants, minimal grass, and water conservation practices are considered in all categories, these factors are especially significant in the Residential Florida Friendly category. **Properties may be self-nominated.** Optional – please upload 1-2 photos of the property with this form.

A link to the application can be found on the Marco Island City Website by searching for "Marco In Bloom". Application forms can be printed, completed, scanned, and emailed to VictoriaAMyers@gmail.com. **Forms are due no later than March 10th, 2026. Winners to be announced at the April 6th, 2026 City Council Meeting.** Marco In Bloom Winners from the past three years are not eligible to participate.
