Board or Committee

Parks & Recreation Committee

Background

How long have you lived on Marco Island?

More than 15 Years

Are you a year-round resident?

Yes

Are you a qualified elector of the City?

Yes

Have you ever been convicted or found guilty of a criminal offense (any level felony or first degree misdemeanor only)?

No

Would you (or any organizations with which you are affiliated) potentially benefit on a personal level from decisions or recommendations made by this board?

No

Do you currently hold public office?

No

Do you now serve, or have you ever served on a Collier County or City of Marco Island board or committee?

No

Qualifications

Please list your community activities and positions held (Example: Civic clubs, neighborhood associations, etc.):

I have been an island resident since 1977 and have raised my family (two children) on the island. My past services include: volunteer for YMCA and Optimist Club youth teams; past officer/director of the island Optimist Club, Cancer Society, MICA, Senior Softball League, and Fair Water Defense Fund Committee

For background, I am a lawyer in an island law firm; also, I have Marco Golf and Garden on Winterberry Drive.

Why do you want to serve on a committee?

When my kids grew up, the island had very few recreational amenities. The city has already accomplished a great deal in developing its parks and recreational facilities for everyone.

Still, I we have the opportunity to make things even better.

That said, I want to serve simply because of my interest in the parks and recreational opportunities the city should further provide, and because I believe that I would do a good job, one benefiting our community.

What issues do you think should be addressed by this committee?

The city budget is obviously limited and the island is largely built out. The primary issue is simply how to efficiently provide broad recreational services for the entire community on a limited budget and with finite land resources.

A secondary issue is the protection and development of passive parks and nature areas.
