### **Qualifications**

**Please list your community activities and positions held (Example: Civic clubs, neighborhood associations, etc.):**

Please see attached resume.

**Why do you want to serve on a committee?**

Because I love Marco Island and feel that I have knowledge and background that may allow me to help our community.

**What issues do you think should be addressed by this committee?**

Here are just a few issues that I think need to be addressed by this committee.

- 1.) To create a fertilizer ordinance that will really stop all possible runoff from lawns and swales that cause our canals to be polluted.
- 2.) To address the issues with our water treatment plants that need to be corrected to stop them from polluting our surrounding waters.
- 3.) Finally to create better open-water law enforcement when it comes to dangerous boating practices.
