A duly noticed neighborhood information meeting was held on January 9, 2025, at the United Church of Marco Island. The meeting started as noticed and no one from the public attended for 20 mins after the start of the meeting. No cars were present in the parking lot so the meeting was closed.

If you have any questions or need additional information, please contact our office.

Sincerely,

A handwritten signature in blue ink, appearing to read "M. J. Delate", is written over a light blue horizontal line.
