

City Manager – City Council Report July 20, 2026

Team Wins: Wins for the City Council, staff, our residents and the environment!

1. I spoke to the Sunrise Rotary on July 14 and the Chamber of Commerce Board of Directors on July 16, and will be meeting with the YMCA on August 4th as part of my community outreach and relationship building with civic organizations.
2. Our Water and Sewer administration team is now located on the second floor of the City Hall Annex. Congratulations to project manager Laura Ryan on getting the space remodeled from a doctor's office to a temporary fire department, and now to a water and sewer office building.
