PROFILE

Hello, my name is Ryan Sullivan and I am a graduate of Marco Island Academy. I am 22 years old and have always had a passion for people. From behind the scenes, on the stage, behind/in front of the camera, or in the editing booth. I have performed in nearly 50 theatrical performances since second grade which has aided in my ability to improvise on my feet,

EDUCATION

Marco Island Academy
2016 - 2020
May 2020 Graduation

WORK EXPERIENCE

Faith Broadcasting Network and Faith Church Naples
March 2021-Present

Director

I manage the full production at FBN.

Sound Engineer

I mix sound live for our TV broadcast called Faith Today, which includes both a full band and hosts. As well as broadcast sound for our church services all in realtime.

Video Editor

Using Final Cut Pro as well as a large assortment of other software I create advertisements, intros, and promotional videos for the TV network and social media.

Producer

Mix cameras and VT content during live productions while instructing camera operators. In addition I manage set up for band and all aspects of the production crew.

Graphic Designer

I design on screen animated graphics, and social media posts. These include announcement slides, countdowns, sermon titles, lyric visualizers and more.

Marco Office Supply and The Hive Design Studio September 2018 - 2021 Production Supervisor

I managed all aspects of print production, from placing orders and reorders to printing in house. I was also the first person the customer comes into contact with, handling the sale from start to finish.

Sisbarro Acting Studios 2018 - Present Creative Director

Direct full length plays and musicals. I independently run summer camps with students. Co-taught after school classes. Worked with many moving parts and AV in a time intensive scenario.

Wesley United Methodist Church 2013-2019 Audio Visual Design Technician

I would design graphics as well as for years prior running both the soundboard and on screen graphics during church services.

New Life Community Church 2020 A/V Tech

Manage sound board and double as remote camera operator and director when filling in for coworkers.

The Pickle Jar Podcast 2020-Present Host/Founder

Host of a podcast, manage all affairs from sound mixing, editing, uploads, purchasing, & merch sales.
