[ID 25-4789](#) Discussion of Racquet Center Future - Mr. McNees

City Manager Mike McNees, speaking on behalf of City Council, addressed the Committee regarding the future of the Racquet Center. He presented two key questions for the Committee's review:

1. Is the current fee structure appropriate for the situation we have today with pickleball?
2. Is the membership model we currently have for the Racquet Center the best, most optimal, or preferred model?
 - a. What process would you devise to come up with an answer to that question?
 - b. What are the alternatives?
 - c. Or are we perfectly happy with the way it is?

Following discussion among the Committee and City staff, members agreed to convene a workshop soon to explore these issues in greater depth, with opportunities for public input.

(8) STAFF COMMUNICATIONS

[ID 25-4724](#) Parks Summary Report

Ms. Malloy responded to Mr. Oliverio's comment about moving the Racquet Center to Veterans Community Park, and advised the Committee of the community criticism that might occur if this space is converted into a potential Racquet Center location.

Ms. Malloy presented the Parks Summary Report and invited questions from Committee members.

Chair Siegel inquired about some of the upcoming events. Ms. Malloy informed her of the upcoming events run by the City of Marco Island Parks and Recreation Department:

- October 24th, at 7:05PM, Movie in the Park will be occurring at Mackle Park and on behalf of City Government Week there will be 50 free bags of Popcorn.
- Saturday October 25th, from 4:00PM – 6:00PM there is the Halloween Spooktacular, at Mackle Park.
- November 7th, from 6:00PM – 8:00PM there will be a free concert, A Tribute to Veterans, at Veterans Community Park.
- November 11th, at 11:00AM there will be the annual Veterans Day Ceremony that is a collaboration event with the American Legion.

Member Martini suggested relocating a portion of the Farmers Market to the area in front of the bandshell at Veterans Community Park. Ms. Malloy responded that such a relocation would damage the grass area used for public seating during community events.

Chair Siegel inquired about the status of the planned demolition of the existing racquetball court and the expansion of the Racquet Center parking lot. Fleet and Facilities Manager Joe Parilli reported that the project will proceed once the newly hired Procurement Manager has fully assumed his duties.
