Subject: Sole Source Letter from Evoqua Water Technologies – Reference JWI Press with Serial # F007636

To whom it may concern:

This is to confirm that Evoqua Water Technologies is the sole source for JWI™, Envirex™, Jet-Tech™, Davco™ and AquaLater™ systems.

We are the OEM and retain all the drawings and proprietary rights to contract products supplied by the above brands at your treatment plants. Plate and Frame press supplied at your facility is a proprietary product supplied under JWI™ brand with serial #F007636.

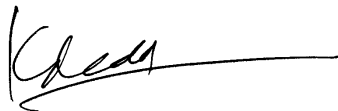

No one else is authorized to sell, solicit or manufacture our products in your area.

Some of the benefits of purchasing from us for your replacement include but not limited to:

- No or minimal changes to the site layout
- In-kind replacement, making it easier to operate and maintain for the staff
- Proven performance of the equipment, avoiding the uncertainty of performance
- Installation by OEM offers single source responsibility, eliminating finger pointing. The installation crew, trained in installing this equipment, have excellent safety record

If you should have any questions regarding this matter, please feel free to contact me.

Sincerely,

Govardhan Katta
