We are C.David and Caroline McBane. We are working with the city of Marco Island planning department to combine our home lot and the vacant lot next door we now own into one property.

One of the requirements is to get "Letters of no obligation" to the vacation of the utility easement located between our two owned lots. These letters are to come from the utility companies and neighbors on both sides of us.

We appreciate your assistance in our goal of expanding our family home.

Sincerely,

C.David & Caroline McBane
