Good Morning:

1. I need to submit before June 10, so we still have time.
2. We haven't fully decided on the program, but they are thinking either Mental Health or Buying Vehicles.

I hope this helps, let me know if you have more questions.

Thanks and have a great day!

Marien

I drafted the letter and asked the new City Manager to sign it.

He has a few questions,

1. How soon do you need this letter back? He feels that it should go in front of City Council
2. The Title of the Project states "Law Enforcement Programs" – Do you have a brief description of the project that I can share with him?

Thanks, Leslie
