

(3) The audit committee shall:

(a) Establish factors to use for the evaluation of audit services to be provided by a certified public accounting firm duly licensed under chapter 473 and qualified to conduct audits in accordance with government auditing standards as adopted by the Florida Board of Accountancy. Such factors shall include, but are not limited to, ability of personnel, experience, ability to furnish the required services, and such other factors as may be determined by the committee to be applicable to its particular requirements.

(b) Publicly announce requests for proposals. Public announcements must include, at a minimum, a brief description of the audit and indicate how interested firms can apply for consideration.

(c) Provide interested firms with a request for proposal. The request for proposal shall include information on how proposals are to be evaluated and such other information the committee determines is necessary for the firm to prepare a proposal.

(d) Evaluate proposals provided by qualified firms. If compensation is one of the factors established pursuant to paragraph (a), it shall not be the sole or predominant factor used to evaluate proposals.

(e) Rank and recommend in order of preference no fewer than three firms deemed to be the most highly qualified to perform the required services after considering the factors established pursuant to paragraph (a). If fewer than three firms respond to the request for proposal, the committee shall recommend such firms as it deems to be the most highly qualified.
