Lina,

We have been at the same rate all along, so if the Manger and the Councilor are willing I would like to try to see if I could persuade them to do a 10% increase. Please let me know. Thank you.

Sincerely,

Linda:

I'm really sorry. I thought we had done this when the notice first came in. Terribly apologetic. I've attached the executed extension agreement.

Thank you so much.
