RE: Letter of no objection of Platted lot line for 919 Caxambas Dr., Marco Island, FL 34145

Constantine and Marianne Iordanou are in the process of combining lots located at 919 and 929 Caxambas Dr. The City of Marco Island needs a letter of no objection signed by the surrounding neighbors. We would appreciate your help in this matter.

We have reviewed and have no objection to the combining of the lots as requested above.
