Good Afternoon Mrs. Holmes,

A variance request has been submitted to the City for a cantilever encroachment of 4 feet into the landscape buffer. It is scheduled for the January 3, 2020 Planning Board meeting, which is at 9:00 am located in the Community Room at 51 Bald Eagle Rd. We will note your objection. Please be aware you are able to attend the meeting and voice your objection in person.

Please let us know if there are additional questions.

Respectfully,

Mary P. Holden

Good afternoon Mrs. Holmes,

Betty will be following up and providing you with the requested documents. In regards to the variance, that does not fall under my purview, as it is a zoning consideration. I've copied in Mary who oversees the zoning division as she'll be able to assist you that portion of things. Please let me know if you have any questions.

Thanks
