## Background

How long have you lived on Marco Island? More than 15 Years

Are you a year-round resident? Yes

Have you ever been convicted or found guilty of a criminal offense (any level felony or first degree misdemeanor only)?  
No

Would you and/or any organizations with which you are affiliated benefit from decisions or recommendations made by this advisory board? No

Do you currently hold public office? No

Do you now serve, or have you ever served on a Collier County or City of Marco Island board or committee? Yes

## Qualifications

Please list your community activities and positions held (Example: Civic clubs, neighborhood associations, etc.):  
2009 thru 2011 - One of the initial participants in the Marco Island Home Owners Association. Acted as Treasurer, Deputy Chairman and Information Technology officer.

2011 – 2012 - Treasurer, Deputy Chairman and Information Technology officer for the Marco Island Property Owner's Association

2016 – present- Member Marco Island Planning Board.

Experience/Background:

1- City of Philadelphia, Water Department – 4 years as a Power and Light design engineer and on- site supervisor.

2- RCA - 15 + years as a Computer System designer, Programmer and Technical Unit Manager. Seven years as a lead System Designer and Programmer and eight additional years as a technical project leader and recruiter, assigned to State of the Art computer system design and programming projects, requiring a number of high level Security Clearances at Top Secret +.

3- Raytheon Company - 20 years as a Program Manager working assignments related to Satellite Communications Systems Design and Development and the modification of these systems for various ground stations as well as ships and air frames. As a Defense Contractor, Raytheon was required by our contracts to be "Process Oriented" with a strong emphasis on ethically behaviours. As a Program Manager, he participated in numerous Contract Bid and Proposals and was intimately familiar with not only defense contracting but also 6 Sigma requirements and their application of our Business practices. He was instrumental in presenting Raytheon Equipment Division's rational for 6 Sigma Compliance Certification which was approved.

4- Northrup Gruman-Ingalls Ship Constructors – 5 years as Ingalls Prototype Programs Manager during the initial design and development of the Zumwalt 1000 21st Century Destroyer. Participation in and evaluation of multi contractors' prototype equipment cost, schedule and technical performance presentation meetings, especially the X and S band Radars. Three ships were eventually produced and delivered to the Navy.

Education:

Bachelor's of Electrical Engineering from Villanova University and has attended the Graduate schools of University of Pennsylvania and the New Jersey Institute of Technology, accumulating 23+ graduate credits in Electrical Engineering and Computer Science.
