Board or Committee City Council

Background

How long have you lived on Marco Island? 3-4 Years
Are you a year-round resident? Yes
Have you ever been convicted or found guilty of a criminal offense (any level felony or first degree misdemeanor only)? No
Would you and/or any organizations with which you are affiliated benefit from decisions or recommendations made by this advisory board? No
Do you currently hold public office? No
Do you now serve, or have you ever served on a Collier County or City of Marco Island board or committee? No

Qualifications

Please list your community activities and positions held (Example: Civic clubs, neighborhood associations, etc.):

I live on Marco Island with my wife Rhea, son James, and our three dogs. Our daughter and grandkids live in Ocala. We sail our 38 foot ETAP sloop (when we aren't working on it) and are members of the American Sailing Association. While in medical school, I was elected president of the American Medical Association chapter there. I'm currently a fellow of the American Academy of Emergency Physicians.

Experience/Background:

I grew up and went to high school in San Antonio, Texas. After graduating, I attended the University of Notre Dame and earned a double major in Economics and Computer Applications. Concurrently, I learned to fly and pursued a career as a commercial airline pilot. After flying charters, I continued my career with Trans World Airlines. This was interrupted by the events of 9-11, after which I returned to college and went to medical school, and accepted a commission as an AMEDD officer in the Iowa Army National Guard. I currently work full time as a Boeing 737 Captain for American Airlines out of their Miami hub and part time as an Emergency Medicine Physician when I am not flying.

Education:

B.A. with a double major in Economics and Computer Applications from the University of Notre Dame (1991)

Doctor of Osteopathic Medicine from Des Moines University (2009)
