Have you ever been convicted or found guilty of a criminal offense (any level felony or first degree misdemeanor only)?

No

Would you and/or any organizations with which you are affiliated benefit from decisions or recommendations made by this advisory board? No

Do you currently hold public office? No

Do you now serve, or have you ever served on a Collier County or City of Marco Island board or committee? No

Qualifications

Please list your community activities and positions held (Example: Civic clubs, neighborhood associations, etc.):
Friends of the Marco Island Library Board (6 years), Hideaway Beach Association (past Board member), Royal Marco Point II Condominium Association (Architectural Review Committee), Naples Community Church.

Why do you want to serve on a committee?

It will give me the opportunity to give back to my community in a significant way. During my professional career as well as in retirement, I have found public service to be rewarding and fulfilling. I believe serving as a member of the Planning Board is a good fit between my professional experience and personal interests. Additionally, I believe serving on the City of Marco island Planning Board will strengthen my ties to the community.

What issues do you think should be addressed by this committee?

Like many Marco Islanders, I am concerned about the increase in population density and intensity on the island. It is important we continue to strive to interpret and enforce the Land Development Code fairly and equally to the benefit of all citizens while maintaining the uniqueness and quality of life our special island provides.
