FARMERS MARKET MACKLE PARK

November 17, 2021- April 20, 2022

This presentation will show you how staff plans to manage the
2021-2022 Farmers Market season at Mackle Park

2021-2022 Season Farmers Market Site Plan

- 55 Vendor Spaces
- 1 Non-Profit Space
- Right Turn Only when exiting parking lot
- 3-4 Staff onsite to assist with event operations, including parking
- Additional patron parking at the MIHS
- Vendor Contact information online for pre-ordering
- A limited number of vendors will have assigned parking spaces at Mackle Park. All other vendor vehicles will be parked on vacant lot.

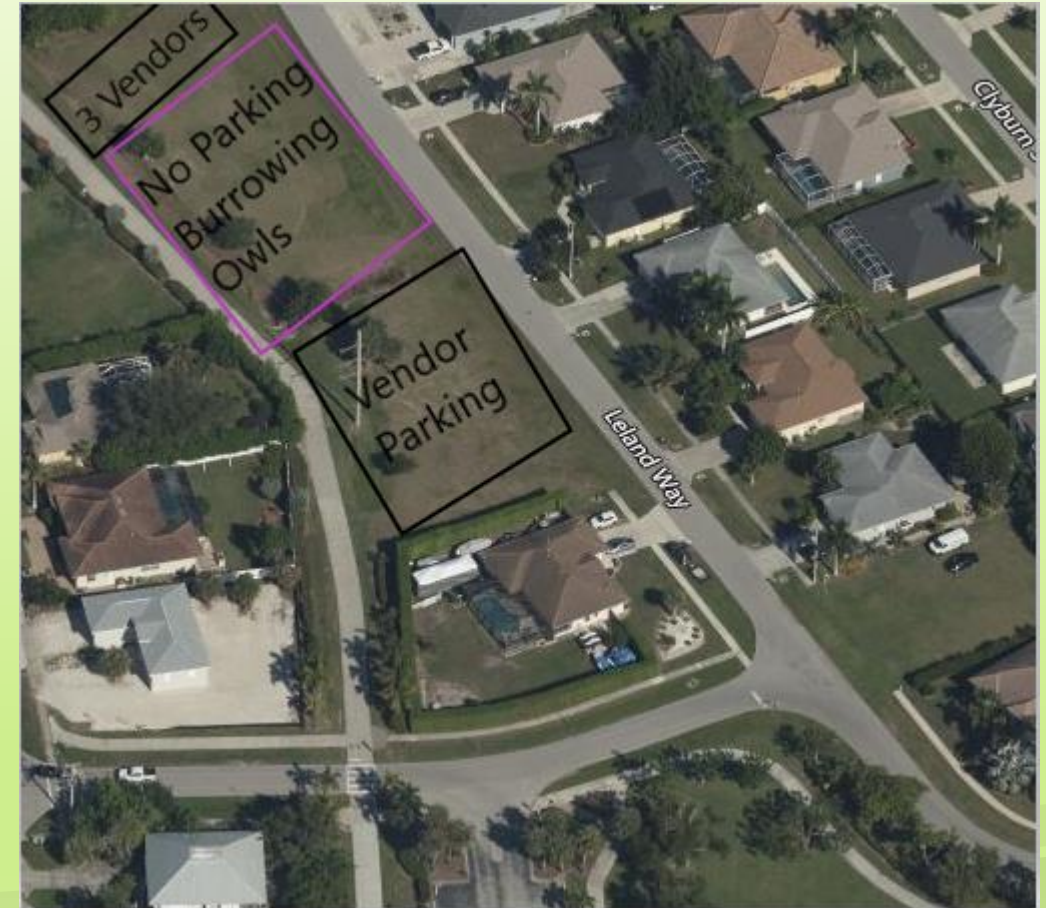

The vendors will be located around the perimeter of the park. (site map is not to scale)

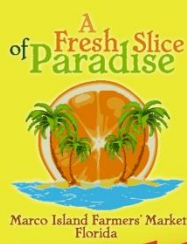

City Owned Vacant Lots on Leland Way

Section 30-796 of the Land Development Code allows community events in all zoning districts through approval of the City Council, regardless of whether the site is improved or unimproved. –City Council approved 2/22/21

In order to increase parking for patrons at Mackle Park, nearby City owned vacant lots will be used for Vendor Parking during each Farmers Market event.

- Several of our Farmers Market Vendors will be assigned parking on the Vacant Lot.
- Vendors will be required to have their vehicle parked no later than 7:30am and remove their vehicle no earlier than 1:00 pm.
- Vendors will not be permitted to move their vehicles outside of these selected times without prior approval from City staff.
