File #: ID 24-3719, Version: 2

Agenda Item: 7(d)	Prepared By: Jose Duran, Director
Business: Consent Agenda Item	Department: Information Technology

Subject:

Authorize the City Manager to Approve the Dark Fiber and Network Connectivity Service Agreement, Annual \$69,600 - Jose Duran, Director, Information Technology

BACKGROUND:

Presented and budget approved during the FY24 budget session. This would provide redundant connectivity to our North, South and Raw Water & Sewer Plants, including Mackle Park. New connectivity at both ends of Marco Islands bridge points on 951, Veterans Park and Winterberry Park locations, enabling the integration of security cameras, Wi-Fi, and centrally managed access control systems.

Note, portions of the agreement has been redacted per 119.0725(2) F.S. public records exemption of cybersecurity information.

FUNDING SOURCE / FISCAL IMPACT:

This expense is split between the General Fund, Water & Sewer Enterprise Fund, and Building Services Enterprise Fund at approximately 60/30/10 split. All the necessary funds are included in the FY24 budget.

RECOMMENDATION:

Authorize the City Manager to sign the agreement for a three-year term - \$69,600/year - three-year agreement total: \$208,800. One-time non-recurring of \$65,000 (Installation fee, running, installing and terminating fiber)

POTENTIAL MOTION: Authorize the City Manager to sign the agreement for a three-year term.
