RECOMMENDATION:

Staff recommends the City Council approve the requested PUD language with changes recommended by the Planning Board on the below findings:

1. There is a need for this amendment to allow for the convenience of the Hideaway Beach PUD residents to have additional recreational uses within an area that provides other needed services.
2. This amendment is in keeping with the Future Land Use Element, Objective 2.1, Policy 2.1.2 of the Future Land Use Element of the City of Marco Island Comprehensive Plan which states that the City will continue to thoroughly and thoughtfully review and revise, as necessary, the list of permitted uses within the zoning districts contained in the adopted LDC. The purpose for the reviews will be to ensure compatibility between land uses, that the needs of residents, businesses, and those they serve are met on-island to the extent possible, and that emerging and modern uses are addressed through the City's regulatory framework.

POTENTIAL MOTION:

Move to approve Ordinance 24-12 with the listed findings.
