Subject:

Ordinance - Second Reading - Adoption Package, 2040 Comprehensive Plan

BACKGROUND:

This adoption package that is being presented to City Council has incorporated changes that have arisen from two processes.

- 1) The expedited state review process has been completed where the City's transmittal package was reviewed by the Department of Economic Opportunity and the other state agencies.
- 2) The City Council reviewed the transmittal draft on 9/7/21 and 9/20/21 to discuss and agree on additional changes.

The adoption package that is being presented incorporates the language that was generated through the expedited review process and amendments generated by the City Council. In addition, Council requested that the Consultants and Staff review and additional policies that may be needed to ensure consistency with Council's amendments.

FUNDING SOURCE / FISCAL IMPACT: N / A

RECOMMENDATION: Approval of Ordinance 21-13.

POTENTIAL MOTION: Approve Ordinance 21-13 on second reading.
